

# Construction notice: MRB 1<sup>st</sup> Floor Remodel

## MRB Suite 180 to be upgraded and remodeled

Suite 180 and a few surrounding rooms are being upgraded and remodeled to meet current NIH guidelines and to provide an improved work environment for research.

Work to be done includes:

- Upgraded HVAC system, new lighting, new scrub sinks in the surgery area
- New shower room
- New lockers and partitions in the restrooms
- New door to separate the surgery area and related rooms from the public spaces
- Minor electrical work and casework cabinets in two procedure rooms

---

## Construction Schedule June 1 – August 28

Medical Research Building 1<sup>st</sup> floor Remodel
