

OHSU Funding Alerts

Internal Opportunities

Multidisciplinary [Circle of Giving 2020 Women's Health Research Funding Opportunity](#)

What: Funds research that will lead to improvements in women's health and lead to additional externally-funded research.

Who should apply: Lecturers and assistant, associate and full professors

Award: \$125,000/one year

Deadline: Dec. 12, 2019

Cancer [Cancer Early Detection Advanced Research Center nanoString Digital Spatial Profiler Project Award](#)

What: Funds DSP-related reagent costs for studies on the DSP platform at OHSU for up to six months.

Who should apply: All employees

Award: No minimum or maximum amount

Deadline: Jan. 1, 2020

Cancer [Cancer Early Detection Advanced Research Center Full Project Award](#)

What: Funds CEDAR-relevant cancer early detection work for up to 18 months.

Who should apply: All employees

Award: No minimum or maximum amount

Deadline: Applications accepted anytime

Multidisciplinary [OHSU School of Medicine Innovation Fund Pilot Program](#)

What: Subsidizes fees for use of OHSU research cores to develop pilot data for new grant applications.

Who should apply: School of Medicine faculty

Award: Up to \$5,000

Deadline: Applications accepted anytime

Limited Submission Opportunities

Neuroscience [Brain Research Foundation Seed Grant Program](#)

What: Funding for new research projects that could become competitive for an NIH grant or another external funding source.

Who should apply: Full-time assistant and associate professors studying brain function

Award: \$80,000/two years

Deadline: *Internal due:* Nov. 18, 2019; *LOI due:* Jan. 7, 2020; *Full application due:* March 25, 2020

Cancer [St. Baldrick's Foundation Spring Cycle Grants](#)

What: Funds research to find cures for childhood cancers and help survivors. The following programs are available in the 2020 spring grant cycle:

- [St. Baldrick's Scholars](#) for early-career researchers
- [St. Baldrick's International Scholars](#) for researchers from low- and middle- income countries
- [Research Grants](#) for laboratory, clinical or epidemiological research
- [Supportive Care Research Grants](#) for research related to supportive care of children with cancer

FEATURED OPPORTUNITIES

Multidisciplinary [Oregon National Primate Research Center Pilot Grant Research Program](#)

What: Funds activities related to the use of nonhuman primates for biomedical research or for studies enhancing NHP welfare or husbandry.

Who should apply: ONPRC core scientists and non-core scientists working with a core scientist

Award: Up to \$75,000/one year

Deadline: *LOI due:* Jan. 6, 2020; *Full application due:* Feb. 21, 2020

Multidisciplinary [Arnold and Mabel Beckman Foundation Instrumentation Grant for Advanced Light-Sheet Microscopy and Data Science](#)

What: Funds research of advanced light-sheet instrumentation capabilities. Prioritizes multidisciplinary and collaborative science and technology teams.

Who should apply: Interdisciplinary teams that include junior faculty and scientists

Award: Up to \$1.2 million

Deadline: *Pre-proposal due:* March 6, 2020, 5 p.m. PST; *Full proposal due:* Sep. 18, 2020, 5 p.m. PST

Who should apply: Refer to grant links above for specific eligibility information.

Award: Amounts range from \$50,000 to \$110,00

Deadline: *Internal due: Nov. 22, 2019; LOI due: Jan. 31, 2020; Full application due: March 31, 2020*

Neuroscience Michael J Fox Foundation and Edmond J Safra Foundation [Fellowship in Movement Disorders](#)

What: Funds training for new movement disorder clinician-researchers. Centers will apply and, if selected, nominate fellows.

Who should apply: Open to established movement disorder centers worldwide. **Not open to individuals**

Award: \$180,000/two years

Deadline: December 13, 2019

Cardiology Vascular Cures [Wylie Scholar Program](#)

What: Provides three-year development grants for initial vascular research to enable future research funding.

Who should apply: Early-career vascular surgeon-scientists

Award: \$150,000/three years

Deadline: March 2, 2020

Merit Prizes and Awards

Multidisciplinary Albert and Mary Lasker Foundation [2020 Lasker Medical Research Awards](#)

What: Honors individuals who have made significant contributions in basic or clinical

research. Awards are given out for basic and clinical medical research and special achievement in medical science.

Who should apply: Nominate anyone who you feel has made a significant contribution to medical research

Award: \$250,000

Deadline: Feb. 3, 2020

Multidisciplinary Howard Hughes Medical Institute [Investigator Program](#)

What: Awardees will become employees of HHMI on a seven-year renewable term and receive financial support for research and access to capital equipment funds. HHMI focuses on biomedical research areas.

Who should apply: Tenure or tenure-track faculty with between five and 15 years of professional experience and at least three years of PI experience on at least one active research grant as of April 1, 2020

Award: HHMI-provided salary and benefits

Deadline: March 18, 2020, noon PST

Private Philanthropic Opportunities

Neurology National Multiple Sclerosis Society [Therapeutic Development Opportunities for Symptom Management in Multiple Sclerosis](#)

What: Funds commercial development opportunities for MS symptom management.

Who should apply: Anyone partnering with a commercial organization in MS research

Award: Up to \$400,000

Deadline: *Pre-application due: Jan. 8, 2020; Full application due: Jan. 15, 2020*

Autism Simons Foundation Autism Research Initiative [2020 Research Award](#)

What: Supports research of unresolved questions in autism, particularly questions that connect etiology to brain function and behavior.

Who should apply: Faculty with a research interest in autism

Award: Up to \$1.3 million/four years

Deadline: Jan. 10, 2020

Federal Opportunities

Multidisciplinary National Institute of Child Health and Human Development [Biophysical and Biomechanical Aspects of Embryonic Development \(R01\)](#)

What: Supports research in the area of physics and mechanics of embryonic development.

Who should apply: Anyone with a research interest in embryonic development

Award: No minimum or maximum

Deadline: Applies to due dates on or after February 5, 2020

Multidisciplinary National Institute of Child Health and Human Development [Biophysical and Biomechanical Aspects of Embryonic Development \(R21\)](#)

What: Supports research in the area of physics and mechanics of embryonic development to be explored in model organisms.

Who should apply: Anyone with a research interest in embryonic development

Award: Up to \$275,000/two years
Deadline: Applies to due dates on or after February 16, 2020

Multidisciplinary NIH [Administrative and Revision Supplements to Expand Vaping Research and Understand EVALI](#)

What: Supplemental funds are available to actively funded grants to investigate research questions relevant to vaping associated lung injury.

Who should apply: Anyone with an actively funded NIH grant and a research interest in EVALI

Award: Up to equal amount of parent award

Deadline: Feb. 27, 2020, 5 p.m. PST

Multidisciplinary National Institute of Dental and Craniofacial Research [Administrative Supplement for Collaborative Science](#)

What: Funds are available to a subset of existing NIDCR-funded grants to form an unanticipated new collaboration.

Who should apply: Existing awardees of certain NICDR grants (full list at above link)

Award: Up to \$150,000

Deadline: March 20, 2020, 5 p.m. PST

Previously Published Opportunities

Private

DUE TOMORROW: Wisconsin National Primate Research Center [Pilot Research Awards Program](#)

Chan-Zuckerberg Initiative [Single-cell Analysis of Inflammation](#) *Due: Nov. 19, 2019. This organization is on the [President's List](#); submit a [notice of intent form](#) before applying.*

Robert Wood Johnson Foundation [Aligning Systems for Health](#) *Brief proposals due: Nov. 22, 2019; Full proposals due: Feb. 5, 2020. This organization is on the [President's List](#); submit a [notice of intent form](#) before applying.*

Damon Runyon [Physician-Scientist Training Award](#) *Due: Dec. 2, 2019, 1 p.m. PST*

Prostate Cancer Foundation and Pfizer, Inc. [Global Challenge Award](#) *Due: Dec. 10, 2019, 1 p.m. PST*

Basser Center for BRCA [2020 External Research Grant Program](#) *LOI due: Dec. 16, 2019; Full application due: Jan. 27, 2020*

Federal

National Human Genome Research Institute [Initiative to Maximize Research Education in Genomics: Diversity Action Plan \(R25\)](#) *LOI due: Nov. 25, 2019; Full application due: Jan. 25, 2020*

National Institute on Aging [Collaborative Network to Optimize Emergency Care of Older Adults with Alzheimer's Disease and Related Dementias \(R61/R33 Clinical Trials Optional\)](#) *LOI due: Jan. 3, 2020; Application due: Feb. 3, 5 p.m. PST*

National Institute on Aging [Innovations to Foster Healthy Longevity in Low-Income Settings \(R03 Clinical Trial Not Allowed\)](#) *LOI due: Jan. 3, 2020; Application due: Feb. 3, 5 p.m. PST*

National Center for Advancing Translational Sciences [Ethical Issues in Translational Science Research \(R01 Clinical Trial Optional\)](#) *LOI due: Jan. 6, 2020; Application due: Feb. 6, 5 p.m. PST*

National Institute of Diabetes and Digestive and Kidney Diseases [Bioinformatics Interdisciplinary Predoctoral Fellowship in Diabetes, Endocrinology and Metabolic Diseases \(F31\)](#) *Due: Jan. 7, 2020, 5 p.m. PST*

National Institute of Diabetes and Digestive and Kidney Diseases [Bioinformatics Interdisciplinary Postdoctoral Fellowship in Diabetes, Endocrinology and Metabolic Diseases \(F32\)](#) *Due: Jan. 7, 2020, 5 p.m. PST*

NIAID, NIMH and NICHD [Getting To Zero: Understanding HIV Viral Suppression and Transmission in the United States \(R01\)](#)

Clinical Trial Optional *Due: Jan. 7, 2020, 5 p.m. PST*

NIMH, NIAAA and NIDA Identification, Validation, and Manipulation of Neural Circuits Related to Mental Illness and Alcohol and Substance Use Disorders in Non-human Primates (R01 Clinical Trial Not Allowed) *LOI due: Jan. 10, 2020; Application due: Feb. 10, 5 p.m. PST*

National Institute of General Medical Sciences Maximizing Investigators' Research Award (R35 - Clinical Trial Optional) *Due: Jan. 17, 2020 by 5 p.m. PST*

The National Center for Medical Rehabilitation Research Early Career Research Award (R03 Clinical Trial Optional) *Due: March 30, 2020, 5 p.m. PST*

National Human Genome Research Institute Administrative supplements for short-term research career enhancement in genomics for experienced investigators *Due: May 15, 2020, 5 p.m. PST*

National Science Foundation Cellular and Biochemical Engineering *Due: Applications accepted anytime*

National Science Foundation Biophotonics *Due: Applications accepted anytime*
