OHSU Funding Alerts:
Week of December 2, 2021

OHSU Funding Opportunities

**Multidisciplinary || OHSU Division of Pulmonary & Critical Care Medicine**
**Multidisciplinary Research Training in Pulmonary Medicine (NHLBI T32)**
What: Multidisciplinary research training for predoctoral and postdoctoral trainees conducting research related to pulmonary medicine
Who should apply: Any U.S. citizen, national, or permanent resident trainee whose research and career trajectory are relevant to the biology and health care practices that relate to respiratory, critical care, and sleep medicine
Award: Stipend support/up to two years
How to apply: Application packets must include: NIH-formatted biosketch; career vision statement – comment on how this training opportunity would fit into overall trajectory in relation to pulmonary medicine (2-3 paragraphs); research proposal/experimental plan (1-2 pages); project narrative (2-3 sentences describing the relevance of the research to public health); and letter of support from mentor
Deadline: Dec. 3, 2021
Send application to Samantha Ruimy

**Neuroscience || Oregon Roybal Center for Care Support Translational Research Advantaged by Integrating Technology (ORCASTRAIT) Pilot Program**
What: Supports pilot studies necessary to inform ongoing and future research consistent with the ORCASTRAIT aims to substantially improve the science of Alzheimer’s disease and related dementia care provider interventions
Who should apply: ADRD researchers with work that will lead to innovative care provider intervention research enhanced by technology
Award: Up to $95,000/one year
Deadline: LOI due: Dec. 10, 2021, 5 p.m. PT; Application due: Jan. 14, 2022, 5 p.m. PT
Send questions to Dara Wasserman; use LOI form

**Multidisciplinary || MRF Early Clinical Investigator Award**
What: Funding to further the development postdoctoral fellows or trainees who interact with human subjects and who are interested in a career in clinical or translational research
Who should apply: Postdoctoral trainees and fellows with specific plans for a career in clinical research
Award: Up to $30,000/one year
Deadline: Dec. 15, 2021, 11:59 p.m. PT
Apply through the CAP

**Multidisciplinary || MRF New Investigator Grant**
What: Supports promising investigators in biomedical research at the beginning of their

---

**Featured Opportunities**

**Multidisciplinary || Burroughs Wellcome Fund Postdoctoral Diversity Enrichment Program**
What: Supports career development activities for underrepresented minority postdoctoral fellows whose training and development are guided by mentors committed to helping them advance to careers in biomedical or medical research
Who should apply: Postdoctoral fellows who have no more than thirty-six months of postdoctoral research experience (in a research lab) at the time of application and are not more than five years from their PhD; additional eligibility info in RFP
Award: Up to $20,000/up to three years
Deadline: Jan. 12, 2022, 1 p.m. PT
This organization is on the President’s List; submit a notice of intent form before applying

**Cancer || EvansMDS Young Investigator Awards**
What: Supports promising candidates committed to the study of the biology, pathogenesis, and treatment of myelodysplastic syndromes as they make their transition to independent investigators
Who should apply: Early career (typically within eight years of completing their graduate degree) physicians or scientists who are currently in a non-tenure track (or equivalent) position
Award: Up to $375,000/up to three years
Deadline: Jan. 31, 2022
This organization is on the President’s List; submit a notice of intent form before applying
independent careers

Who should apply: Assistant professors or equivalent who are independent but new to research and don’t yet have funding sources

Award: Up to $50,000/one year

Deadline: Dec. 15, 2021, 11:59 p.m. PT

Apply through the CAP

Multidisciplinary || MRF and OHSU Emergency Interim Support and Bridge Funding

What: Provides funding for research programs that have lost national grant funding and enables investigators to develop data supporting application renewals; OHSU applicants can apply for both MRF Emergency Interim Support and OHSU Bridge Funding

Who should apply: Researchers who need funding to keep their programs going

Award: Up to $50,000 from each MRF and Bridge funding/one year

Deadline: Dec. 15, 2021, 11:59 p.m. PT

Apply through the CAP

Women’s Health || Circle of Giving Women’s Health Research Funding Opportunity

What: Supports new or established investigators interested in developing innovative directions in research that will advance women’s health; applications may be in basic science, clinical investigation, population health or behavioral research

Who should apply: OHSU faculty at the rank of instructor, assistant, associate or full professor

Award: $125,000/one year

Deadline: Jan. 7, 2022

Apply through the CAP

Multidisciplinary || OHSU PMediC Innovation Grant

What: Funding for collaborative projects between researchers at OHSU and Pacific Northwest National Laboratory (PNNL); proposed projects should utilize special capabilities of PNNL that are not accessible at OHSU and be innovative and generate preliminary data that will lead to a successful joint OHSU/PNNL grant application in the R, U or P series or equivalent

Who should apply: OHSU faculty with appointments in the professorial or research series; instructional, clinical and adjunct faculty and trainees are not eligible

Award: Up to $50,000/up to one year

Deadline: Jan. 14, 2022, midnight PT

Apply through the CAP; contact Laura Erker or Elizabeth Sturgill for application assistance

Trauma || Trunkey Center Research and Innovation Awards

What: Supports progress on clearly articulated, early-phase research and innovation projects by providing opportunities for pilot testing, preliminary data collection, prototype development, feasibility or needs assessments or similar activities

Who should apply: Teams of faculty, staff, and students/residents either from or outside OHSU; each project team must include at least one OHSU member who serves as PI or Co-PI

Award: Between $5,000 and $20,000/up to two years

Deadline: Jan. 14, 2022, midnight PT

Apply through the CAP

New this week!

Multidisciplinary || NIGMS, OHSU Research & Innovation and Vollum Institute OHSU Postbaccalaureate Research Education Program (PREP)

What: Program for recruiting and retaining Persons Excluded because of their Ethnicity or Race (PEER) postbacs for an intensive, mentored experience research experience with the goal to prepare them for pursuing a graduate degree in biomedical research

Who should apply: Researchers who have graduated or are in the process of graduating with a baccalaureate degree in a biomedically relevant science from an accredited college or university after June 1st, 2019, are US citizens, nationals or permanent residents, are not currently enrolled in a degree program and belong to a group considered to be underrepresented in the field of biomedical research; see more details

Award: Competitive research assistant salary and health benefits/one year

Deadline: March 1, 2022, 11:59 p.m. PT

Send questions to PREPtograd@ohsu.edu

Apply through the CAP

Multidisciplinary || Alliance for Visible Diversity in Science Elevate Award

What: Recognizes a member of the OHSU
community for making effective strides in racial equity and inclusion

**Who should apply:** Individuals who have catalyzed positive change in cultivating a more equitable and inclusive environment within the research community; self-nominations welcome and all OHSU members can nominate

**Award:** $500

**Deadline:** Open now

---

**Cancer || CEDAR NIH Catalyst Funding**

**What:** Funding designed to help scientists pursuing CEDAR relevant research address reviewer concerns and resubmit their proposals to the National Institutes of Health

**Who should apply:** Applicants to NIH awards who received a score but were not funded

**Award:** Up to $250,000/one year

**Deadline:** Applications accepted anytime

---

**Public Health || OHSU-PSU School of Public Health Kickstarter Awards**

**What:** Funding to support pre-award activities that advance the preparation of high-quality grant or contract applications

**Who should apply:** OHSU and PSU faculty with primary appointment in OHSU-PSU School of Public Health who have an extramural RFA or other opportunity identified

**Award:** From $500 to $5,000/up to six months

**Deadline:** Accepted on a rolling basis through March 31, 2022

**Apply through the CAP**

---

**Multidisciplinary || OCTRI Mobile Apps for Clinical Studies (MACS)**

**What:** Funding to leverage MyCap to create mobile apps that allow clinical study participants to report outcomes/data via a smartphone

**Who should apply:** PIs who want to create a mobile app for clinical or commercial purposes

**Award:** Up to $5,000/typically one year

**Deadline:** Rolling; application will close when funding for the fiscal year is exhausted

**Submit project intake form through REDCap**

---

**Multidisciplinary || OHSU Fellowship for Diversity in Research**

**What:** Funds researchers with the goal of increasing the diversity of the community of scholars devoted to academic scientific research at OHSU

**Who should apply:** Investigators with postdoctoral training experience looking to establish an independent academic research career; scholars who identify as underrepresented minorities, differently-abled and more are welcomed

**Award:** Up to $8,000 plus a stipend

**Deadline:** Applications accepted anytime

---

**Limited Submission Opportunities**

**Cancer || The Hope Foundation for Cancer Research Dr. Charles A. Coltman Jr. Fellowship**

**What:** Encourages investigators from SWOG member institutions to either learn clinical trial methodology or expand current research interests within a cooperative group environment

**Who should apply:** SWOG members who hold an early career faculty appointment or have no more than seven years of experience in clinical research; further eligibility info in program description

**Award:** $100,000/two years

**Deadline:** Internal submission due: Dec. 2, 2021; LOI due: Jan. 15, 2022; Application (by invitation only) due: March 1, 2022

**Apply through the CAP**

---

**Multidisciplinary || NHLBI and NINDS Network for Emergency Care Clinical Trials: Strategies to Innovate EmeRgENcy Care Clinical Trials Network (SIREN) - Network Clinical Center (Hub) (U24 Clinical Trial Not Allowed)**

**What:** Supports the SIREN network, which will in the professorial series who have not received this award within the last year

**Award:** Up to $5,000/one year

**Deadline:** Applications accepted anytime

**Apply through the CAP**
consist of one Clinical Coordinating Center (CCC), one Data Coordinating Center (DCC) and up to 14 clinical centers (Hubs); SIREN conducts multi-center clinical trials to improve the outcomes for patients with neurologic, cardiac, respiratory, hematologic, and traumatic conditions

Who should apply: Applications for CCCs and DCCs are not limited, but applications for Hubs are limited; it is preferable that only one to two PD/PIs be identified on each Hub application

Award: Up to $1.25 million/up to five years
Deadline:
- Internal submission due: Dec. 2, 2021;
- LOI due: Dec. 18, 2021 (LOI not required but highly encouraged);
- Application due: Jan. 18, 2022, 5 p.m. PT
Apply through the CAP

Endocrinology || NIDDK Diabetes Research Centers (P30 Clinical Trial Optional)

What: Supports Diabetes Research Centers that are designed to support and enhance the national research effort in diabetes, its complications and related endocrine and metabolic diseases

Who should apply: PIs who have strong leadership abilities and demonstrated proficiency in managing large, multi-component programs

Award: Up to $6.25 million/up to five years
Deadline:
- Internal submission due: Dec. 8, 2021; LOI due: Feb. 8, 2022 (LOI not required but highly encouraged);
- Application due: March 8, 2022, 5 p.m. PT
Apply through the CAP

Endocrinology || NIDDK Pediatric Obesity Discovery Science Research to Improve Understanding of Risk and Causal Mechanisms for Obesity in Early Life (R01 Clinical Trial Optional)

What: Supports innovative, discovery research studies to better characterize early-life risk factors and elucidate underlying causal mechanisms through which these risk factors contribute to the development of obesity during infancy and early childhood

Who should apply: Anyone with a research interest in risk factors for infant and early childhood obesity

Award: Up to $2.5 million/up to five years
Deadline:
- Internal submission due: Dec. 8, 2021; LOI due: Feb. 8, 2022 (LOI not required but highly encouraged);
- Application due: March 8, 2022, 5 p.m. PT
Apply through the CAP

Cancer || Mary Kay Foundation Cancer Research Grants

What: Supports translational research in ovarian, uterine, breast or cervical cancer that would improve diagnosis, prognosis, prevention or treatment of one of the listed cancers

Who should apply: Full time assistant professors and higher studying ovarian, uterine, breast or cervical cancer

Award: Up to $100,000/up to two years
Deadline:
- Internal submission due: Dec. 10, 2021; Application due: Feb. 4, 2021, 9:59 p.m. PT
Apply through the CAP

Multidisciplinary || Ono Pharma Foundation Breakthrough Science Initiative Awards Program

What: Supports high-risk and high-reward science research projects, particularly projects

requirements to see if your project fits these priorities; importantly, Keck is interested in basic science projects

Award: Typically no more than $1 million/up to three years
Deadline: Internal preproposal due: Dec. 6, 2021; Phase 1 applications due: May 1, 2022; Full proposals due: Aug. 15, 2022
Apply through the CAP
about technical innovations and chemical biology research that provide solutions to human health barriers.

Who should apply: Young and/or mid-career scientists (15 years or less from start of independent academic position) who has no previous relationship with the Ono Pharma Foundation; PIs also may not apply for funding to amplify current work.

Award: Up to $1.035 million/up to three years

Deadline: Internal submission due: Dec. 22, 2021; Application due: Feb. 28, 2021, 5 p.m. PT

Apply through the CAP

New this week!

Cancer || Cancer Research Institute

Postdoctoral Fellowship Program

What: Supports young immunologists and cancer immunologists by continuing their training under the guidance of a world-renowned immunologist who mentors the fellow and prepares them for a productive and successful career in cancer immunology.

Who should apply: Postdocs working in immunology or cancer immunology who have less than five years of relevant postdoc experience.

Award: $175,000/three years

Deadline: Internal submission due: Jan. 4, 2022; Application due: March 1, 2022, 2 p.m. PT

Apply through the CAP

Merit Prizes and Awards

Physical Therapy || Lymphatic Education & Research Network

Gordon Research Conference Travel Awards

What: Scholarships for young investigators to defray registration and travel costs associated with attending the 2022 Gordon Research Conference: Lymphatics (Lymphatic Vessels as Multifaceted Regulators of Health and Disease) being held in Lucca (Barga), Italy, from February 27 to March 4, 2022.

Who should apply: PhD students and postdoctoral scholars within the first five years of earning a PhD.

Award: Up to $1,000

Deadline: Dec. 17, 2021, 10 a.m. PT

Physical Therapy || Lymphatic Education & Research Network

Lifetime and Career Achievement Awards in Lymphatic Research

What: Recognizes individuals who have made a significant contribution to the promotion and support of lymphatic research and finding
improved treatments and cures for lymphatic diseases, lymphedema, lipedema and related diseases

Who should apply: Individuals who have had outstanding achievements in the field of lymphatics

Award: Not specified
Deadline: Dec. 17, 2021

New this week!

Psychology || American Psychological Association Jack D. Krasner Memorial Award
What: Recognizes promising contributions to psychotherapy, psychology and Div. 29 (Society for the Advancement of Psychotherapy) by a division member with 10 or fewer years of postdoctoral experience
Who should apply: Div. 29 members who are within ten years of receipt of a doctorate in the field and have demonstrated accomplishment related to psychotherapy theory, practice, research or training
Award: $1,000
Deadline: Dec. 31, 2021

Neuroscience || Brain Sciences 2022 Young Investigator Awards
What: Honors three young investigators in recognition of their excellence in the field of neuroscience
Who should apply: PhDs who will be under 35 years of age by the deadline, have produced ground-breaking research and made a significant contribution to the advancement of neuroscience and are nominated by senior scientists
Award: Approximately $1,644.46 (amount converted from Swiss Francs)
Deadline: Jan. 31, 2022

COVID-19 Opportunities

Due to the decline in new funding opportunities related to COVID-19, we are transitioning the separate COVID-19 Funding Alerts to this space. You can still view the archive of COVID-19 Funding Alerts, and a list of still-open opportunities will be updated weekly.

New this week!

Substance Use || NIAAA Notice of Special Interest: Administrative Supplements and Urgent Competitive Revisions on Coronavirus Disease 2019 (COVID-19) within the Mission of NIAAA
What: Administrative supplements and competitive revisions to existing grants and cooperative agreements that advance understanding of critical interactions between alcohol, SARS-CoV-2 and COVID-19
Who should apply: Active NIH grantees with a research interest in alcohol and COVID
Award: Up to $200,000/up to two years
Deadline: Accepted on a rolling basis through May 8, 2024

NIH Federal Opportunities

This week the NIH released funding opportunities concerning cancer, celiac disease and HIV/AIDS. We’ve highlighted some opportunities of potential interest below.

Multidisciplinary || Multiple NIH Organizations Notice of Special Interest (NOSI): Accelerating Progress in Celiac Disease Research
What: States special interest in research on the etiology and pathogenesis of celiac disease, identification of therapeutic targets and development of preventative or disease ameliorating therapies/strategies
Who should apply: Anyone with a research interest in celiac disease
**Audiology | NIDCD Notice of Special Interest: Expanding the Otitis Media Research Workforce: Focus on Early Stage Investigators**

**What:** Supports focused, novel, creative and innovative research approaches that accelerate the development of effective ways to prevent and treat otitis media, commonly known as ear infections

**Who should apply:** Anyone with a research interest in ear infections

**Award:** Dependent upon FOA you apply through

**Deadline:** Open from Jan. 12, 2022 through Jan. 7, 2025

---

**Multidisciplinary | Multiple NIH Organizations Measures and Methods to Advance Research on Minority Health and Health Disparities-Related Constructs (R01 Clinical Trial Not Allowed)**

**What:** Supports research that will advance the measurement and methodology of complex constructs relevant to minority health and health disparities

**Who should apply:** Anyone with a research interest in methodology to identify, explain and address health disparities

**Award:** Up to $2.5 million/up to five years

**Deadline:** Feb. 5, 2022, 5 p.m. PT

---

**Endocrinology | NIDDK Analysis, Technology, Leadership, Administration and Science (ATLAS) Center (U24 Clinical Trial Not Allowed)**

**What:** Supports the creation of a center that has the overarching goal of building the go-to open-access resource for the research community of mouse and human renal and genitourinary development and disease

**Who should apply:** Anyone with a research interest in renal and genitourinary development

**Award:** Up to $5.75 million/up to five years

**Deadline:** LOI due: Feb. 24, 2022 (LOI not required but highly encouraged); Application due: March 24, 2022, 5 p.m. PT

---

**Cancer | NCI Advanced Development and Validation of Emerging Molecular and Cellular Analysis Technologies for Basic and Clinical Cancer Research (R33 Clinical Trial Not Allowed) and Innovative Molecular and Cellular Analysis Technologies for Basic and Clinical Cancer Research (R61 Clinical Trial Not Allowed)**

**What:** Supports either projects focused on the early-stage development or further development and validation of highly innovative technologies offering novel molecular or cellular analysis capabilities for basic or clinical cancer research

**Who should apply:** Anyone with a research interest in molecular or cellular analysis technology for cancer research

**Award:** For R33: Up to $450,000/up to three years; For R61: Up to $900,000/up to three years

**Deadline:** LOI due: March 22, 2022 (LOI not required but highly encouraged); Application due: April 22, 2022, 5 p.m. PT

---

**Multidisciplinary | NHLBI Notice of Special Interest (NOSI): Examining Effects of HIV Pre-Exposure Prophylaxis (PrEP) on Heart, Lung, Blood, and Sleep Function**

**What:** Supports research focused on elucidating the impact of HIV pre-exposure prophylaxis on heart, lung, blood, and sleep conditions; supports projects ranging from basic mechanistic studies to implementation investigations

**Who should apply:** Anyone with a research interest in the impact of HIV pre-exposure prophylaxis on heart, lung, blood, and sleep conditions

**Award:** Not limited/up to five years

**Deadline:** Open from May 7, 2022 through May 8, 2025

---

**Administrative Supplements**

**Multidisciplinary | NCCIH Notice of Special Interest (NOSI): Administrative Supplements for NCCIH Grants to Support Pain-Focused High Priority Research Areas**

**Multidisciplinary | NCCIH Notice of Special Interest: Administrative Supplements on High Priority Topic Areas for NCCIH Grants**
Obstetrics and Gynecology || NICHD Notice of Special Interest (NOSI): Limited Competition for Administrative Supplements to Accelerate the Development of a Translational Research Resource Platform for Advancing Maternal Precision Therapeutics

Multidisciplinary || NIGMS and ORWH Notice of Special Interest (NOSI): Availability of Administrative Supplements to INBRE Awards to Fund Research Collaborations

Private Opportunities

Cardiology || American Heart Association Research Grants
What: Supports cardiology research through multiple funding mechanisms including career development awards, established investigator awards and transformational project awards
Who should apply: Dependent upon funding mechanism; see listing for program descriptions
Award: Dependent upon funding mechanism
Deadline: Deadlines range from Dec. 6, 2021 to Feb. 16, 2022, 1 p.m. PT

Rhinology || American Rhinologic Society New Investigator Research Grant
What: Supports basic, translational, or clinical research projects in rhinology designed in collaboration with a preceptor investigator and approved by the candidate's department chairperson and institution
Who should apply: American Rhinologic Society members who have completed their residency, have not previously received significant outside funding and have an established researcher as a mentor
Award: Up to $40,000/up to two years
Deadline: LOI due: Dec. 17, 2021, 9 p.m. PT; Applications due: Jan. 18, 2022, 9 p.m. PT

Psychology || American Psychological Association Congressional Fellowship
What: Provides psychologists with a public policy learning experience by contributing to the more effective use of psychological knowledge in government and broadening awareness about the value of psychology-government interaction
Who should apply: Psychologists who are members of APA (or applicants for membership), U.S. citizens and have a doctorate in psychology or related field
Award: Up to $93,750 plus reimbursement for health insurance coverage/one year
Deadline: Jan. 3, 2022

Cancer || Children's Tumor Foundation Young Investigator Award
What: Supports young scientists early in their careers studying topics including: manifestations of all types of NF1, NF2, schwannomatosis, including neurofibromas, schwannomas, malignant peripheral nerve sheath tumors, and other brain and nervous system tumors; bone abnormalities; cardiovascular abnormalities; learning disorders; and pain
Who should apply: Postdoctoral fellows who are no more than seven years past completion of their first doctoral degree and graduate students pursuing their MD, PhD, or equivalent; must be affiliated with the laboratory of a senior researcher who can serve as a research sponsor
Award: Up to $174,000/up to three years
Deadline: LOI due: Jan. 3, 2022, 2 p.m. PT; Applications due: March 4, 2022, 2 p.m. PT

Multidisciplinary || New York Academy of Medicine David E. Rogers Student Fellowship Award
What: Supports projects that bear on medicine and dentistry as they contribute to the health of communities and that address the human needs of underserved or disadvantaged patients or populations
Who should apply: Medical and dental students who are citizens or permanent residents of the United States or authorized to work in the U.S.
Award: Up to $4,000/up to three months
Deadline: Jan. 7, 2022

Neuroscience || McKnight Foundation Scholar Awards
What: Supports promising young investigators in the early stages of an independent research career working on a critical problem in brain science
Who should apply: Independent investigators at the rank of assistant professor who have
Orthopedics || Orthopaedic Trauma Association Research Grants
What: Supports basic or clinical trauma research that advances the treatment and prevention of musculoskeletal injury through four mechanisms: OTA member; Resident; International; and Joint Research
Who should apply: Dependent upon award
Award: Up to $225,000/up to three years
Deadline: Jan. 10, 2022

Multidisciplinary || Burroughs Wellcome Fund Postdoctoral Diversity Enrichment Program
What: Supports career development activities for underrepresented minority postdoctoral fellows whose training and professional development are guided by mentors committed to helping them advance to stellar careers in biomedical or medical research
Who should apply: Postdoctoral fellows who have no more than thirty-six months of postdoctoral research experience (in a research lab) at the time of application and are not more than five years from their PhD; additional eligibility info in RFP
Award: Between $20,000 and $100,000/up to two years
Deadline: Jan. 10, 2022

Mental Health || Klingenstein Third Generation Foundation Addressing Access to Care
What: Supports investigator-initiated projects that demonstrate the benefits of new healthcare delivery methods or prevention approaches to improve access to mental health care for children
Who should apply: Academic researchers from universities or research institutions that provide mental and behavioral health programs for children and adolescents
Award: Up to $100,000/up to two years
Deadline: Jan. 13, 2022, 8:59 p.m. PT

Immunology || Johnson & Johnson Innovation Immunology Innovations QuickFire Challenge
What: Supports research on transformative potential solutions to help or advance precision medicine approaches in immune-mediated disease
Who should apply: Anyone with a research interest in immunology innovations
Award: Up to $100,000/up to two years
Deadline: Jan. 13, 2022, 8:59 p.m. PT

Dermatology || National Psoriasis Foundation Psoriatic Disease Research Fellowships
What: Supports the development and enhancement of opportunities for physicians training for a research career in academic dermatology, rheumatology, pediatric dermatology or pediatric rheumatology
Who should apply: Applicants will typically hold an MD, but exceptionally promising medical students will also be accepted; fellows must devote at least 75 percent of their effort to research during the project period
Award: Up to $50,000/up to one year
Deadline: Jan. 21, 2022, 5 p.m. PT

Cancer || EvansMDS Discovery Research Grants
What: Supports research into the etiology, pathogenesis and treatment of myelodysplastic syndromes that is collaborative, transformative, and of high impact; priority will be given to projects that directly examine key features of MDS
Who should apply: Established independent investigators in a tenure-track or tenured position at the assistant professor or equivalent level or higher
Award: Up to $600,000/up to three years
Deadline: LOI due: Jan. 31, 2022; Full application due: April 2022
This organization is on the President's List; submit a notice of intent form before applying

Cancer || EvansMDS Young Investigator Awards
What: Supports promising candidates committed to the study of the biology, pathogenesis, and treatment of myelodysplastic syndromes as they make their transition to independent investigators
Who should apply: Early career (typically
within eight years of completing their graduate degree) physicians or scientists who are currently in a non-tenure track (or equivalent) position

**Award:** Up to $375,000/up to three years

**Deadline:** Jan. 31, 2022

*This organization is on the President’s List; submit a notice of intent form before applying*

**Previously Published Opportunities**

**Federal**

**December 2021**

**Multidisciplinary |** NHLBI, NIAAA and NIDA

HEAL initiative: Pharmacotherapies to Reverse Opioid Overdose Induced Respiratory Depression Without Central Opioid Withdrawal [Target Validation and Candidate Therapeutic Development] (UG3/UH3 Clinical Trials Not Allowed) Application due: Dec. 3, 2021, 5 p.m. PT

**Multidisciplinary |** NIMH Expanding Differentiated Care Approaches for Adolescents Living with HIV [R01 Clinical Trial Optional] and [R34 Clinical Trial Optional] LOI due: Dec. 6, 2021 (LOI not required but highly encouraged); Application due: Jan. 6, 2022, 5 p.m. PT

**Multidisciplinary |** NIMH and NINDS

Deciphering Immune-CNS interactions in HIV utilizing in-vitro and in-vivo model systems

**[R21 Clinical Trial Not Allowed]** and

Deciphering Immune-CNS interactions in people living with HIV on Anti-Retroviral therapy [R01 Clinical Trial Optional]

Application due: Dec. 7, 2021, 5 p.m. PT

**Multidisciplinary |** Multiple NIH Organizations

HIV-associated Non-Communicable Diseases Research at Low- and Middle-Income Country Institutions [R21 Clinical Trial Optional]

Application due: Dec. 8, 2021, 5 p.m. PT

**Multidisciplinary |** Multiple NIH Organizations

American Women: Assessing Risk Epidemiologically (AWARE) [R01 Clinical Trial Optional] Application due: Dec. 9, 2021, 5 p.m. PT

Obstetrics and Gynecology | NICHD and ORWH

Pelvic Floor Disorders Network (UG1 Clinical Trial Required) Application due: Dec. 9, 2021, 5 p.m. PT

**Mental Health |** NIMH

Effectiveness and Implementation Research for Post-Acute Interventions to Optimize Long-Term Mental Health Outcomes in Low- and Middle-Income Countries [R34 Clinical Trial Optional]

Application due: Dec. 9, 2021, 5 p.m. PT

**Cancer |** NCI

Integrating Biospecimen Science Approaches into Clinical Assay Development (U01 Clinical Trial Not Allowed) LOI due: Dec. 11, 2021 (LOI not required but highly encouraged); Application due: Jan. 11, 2022, 5 p.m. PT

**Substance Use |** NIDA

Mechanism for Time-Sensitive Drug Abuse Research [R21 Clinical Trial Optional] LOI due: Dec. 11, 2021 (LOI not required but highly encouraged); Application due: Jan. 11, 2022, 5 p.m. PT

**Neuroscience |** NIH

Common Fund SPARC Human Open Research Neural Engineering Technologies (HORNET) Initiative [U41 Clinical Trial Not Allowed] LOI due: Dec. 13, 2021 (LOI not required but highly encouraged); Application due: Jan. 12, 2022, 5 p.m. PT

**Multidisciplinary |** Multiple NIH Organizations

NIH Blueprint for Neuroscience Research Short Courses in Neurotherapeutics Development [R25 Clinical Trial Not Allowed]

Application due: Dec. 9, 2021, 5 p.m. PT
Opportunities for Collaborative Research at the NIH Clinical Center (U01 Clinical Trial Optional) and Pre-application: Opportunities for Collaborative Research at the NIH Clinical Center (X02 Clinical Trial Optional) LOI due: Dec. 14, 2021, 5 p.m. PT; Application due: April 18, 2022, 5 p.m. PT

Infectious Disease | NIAID Systems Biology for Infectious Diseases (U19 Clinical Trial Not Allowed) LOI due: Dec. 14, 2021 (LOI not required but highly encouraged); Application due: Jan. 14, 2022, 5 p.m. PT

Multidisciplinary | Multiple NIH Organizations

HEAL Initiative: Pragmatic and Implementation Studies for the Management of Sickle Cell Disease Pain (UG3/UH3, Clinical Trials Optional) Application due: Dec. 15, 2022, 5 p.m. PT

Neuroscience | Multiple NIH Organizations NIH Blueprint and BRAIN Initiative Diversity Specialized Predoctoral to Postdoctoral Advancement in Neuroscience (D-SPAN) Award (F99/K00 Clinical Trial Not Allowed) Application due: Dec. 15, 2021, 5 p.m. PT

Multidisciplinary | Multiple NIH Organizations NIH Health Care Systems Research Collaboratory - Pragmatic and Implementation Trials of Embedded Interventions (UG3/UH3, Clinical Trials Optional) Application due: Dec. 15, 2021, 5 p.m. PT

Neuroscience | NINDS Translational Efforts to Advance Gene-based Therapies for Ultra-Rare Neurological and Neuromuscular Disorders (U01 - Clinical Trial Optional) Application due: Dec. 22, 2021, 5 p.m. PT

Cancer | NCI The role of Epstein Barr virus (EBV) infection in Non-Hodgkin Lymphoma (NHL) and Hodgkin disease (HD) development with or without an underlying HIV infection (U01 Clinical Trial Optional) Application due: Dec. 15, 2021, 5 p.m. PT

Multidisciplinary | Multiple NIH Organizations Interventions for Stigma Reduction to Improve HIV/AIDS Prevention, Treatment and Care in Low- and Middle- Income Countries (R01 - Clinical Trial Optional) Application due: Dec. 20, 2021, 5 p.m. PT

Neuroscience | NINDS Clinical Trial Readiness for Functional Neurological Disorders (U01 Clinical Trial Optional) LOI due: Jan. 5, 2022 (LOI not required but highly encouraged); Application due: Feb. 5, 2022, 5 p.m. PT

Infectious Disease | NIAID Identification and Characterization of Persistence Mechanisms of Select Protozoan Pathogens (R01 Clinical Trial Not Allowed) LOI due: Jan. 8, 2022 (LOI not required but highly encouraged); Application due: Feb. 8, 2022, 5 p.m. PT

January 2022

Environmental Health | NIEHS Virtual Consortium for Translational/Transdisciplinary Environmental Research (VICTER) (R01 Clinical Trial Optional) LOI due: Jan. 1, 2022 (LOI not required but highly encouraged); Application due: Feb. 1, 2022, 5 p.m. PT

Neuroscience | NIA Alzheimer’s Drug Development Program (U01 Clinical Trial Optional) LOI due: Jan. 5, 2022 (LOI not required but highly encouraged); Application due: Feb. 5, 2022, 5 p.m. PT

Cancer | NCI Implementation Science for Cancer Control in People Living with HIV in Low- and Middle-Income Countries (U01 Clinical Trial Optional) Application due: Dec. 15, 2021, 5 p.m. PT

Multidisciplinary | Multiple NIH Organizations

NIH Implementation Science for Cancer Control in People Living with HIV in Low- and Middle-Income Countries (U01 Clinical Trial Optional) Application due: Dec. 15, 2021, 5 p.m. PT

Multidisciplinary | Multiple NIH Organizations

Cellular Senescence Network: Technology Development and Application in Murine Systems (UG3/UH3 Clinical Trial Not Allowed) LOI due: Dec. 20, 2021 (LOI not required but highly encouraged); Application due: Jan. 19, 2022, 5 p.m. PT

Neuroscience | NINDS Ultra-Rare Gene-based Therapy (URGenT) Network Resource Access (X01, Clinical Trial Not Allowed) LOI due: Dec. 22, 2021 (LOI not required but highly encouraged); Application due: Jan. 22, 2022, 5 p.m. PT
**Immunology** || NIAID Development of Microbiome-Related Approaches for Diagnosis/Mitigation/Treatment of Radiation Injuries (U01 Clinical Trial Not Allowed) LOI due: Jan. 9, 2022 (LOI not required but highly encouraged); Application due: Feb. 9, 2022, 5 p.m. PT

**Multidisciplinary** || Multiple NIH Organizations HEAL Initiative: Developing Quantitative Imaging and Other Relevant Biomarkers of Myofascial Tissues for Clinical Pain Management (R61/R33, Clinical Trial Required) LOI due: Jan. 11, 2022 (LOI not required but highly encouraged); Application due: Feb. 11, 2022, 5 p.m. PT

**Cardiology** || NHLBI Emerging Investigator Award (EIA) (R35 Clinical Trial Optional) and Outstanding Investigator Award (OIA) (R35 Clinical Trial Optional) LOI due: Jan. 15, 2022 (LOI not required but highly encouraged); Application due: Feb. 15, 2022, 5 p.m. PT

**Multidisciplinary** || NIDA High Priority HIV and Substance Use Research (R01 Clinical Trial Optional) LOI due: Jan. 15, 2022 (LOI not required but highly encouraged); Application due: Feb. 15, 2022, 5 p.m. PT

**Dentistry** || Central Oregon Health Council Improving Coordination Between Oral Health and Primary Care Deadline: Jan. 17, 2022, 11:59 p.m. PT

**Infectious Disease** || NIAID Advancing Group A Streptococcus Vaccine Discovery (R01 Clinical Trial Not Allowed) LOI due: Jan. 18, 2022 (LOI not required but highly encouraged); Application due: Feb. 18, 2022, 5 p.m. PT

**Mental Health** || NIMH Enhanced Interpersonal Focused Strategies for Suicide Prevention Interventions (R34 Clinical Trial Required) LOI due: Jan. 18, 2022 (LOI not required but highly encouraged); Application due: Feb. 18, 2022, 5 p.m. PT

**Biology** || NSF Research and Mentoring for Postbaccalaureates in Biological Sciences (RaMP) Deadline: Jan. 20, 2022, 5 p.m. PT

**Multidisciplinary** || NHGRI and NIBIB New Investigators to Promote Workforce Diversity in Genomics, Bioinformatics, or Bioengineering and Biomedical Imaging Research (R01 Clinical Trial Optional) LOI due: Jan. 22, 2021 (LOI not required but highly encouraged); Application due: Feb. 22, 2021, 5 p.m. PT

**Multidisciplinary** || AHRQ and CQuIPS Large Health Services Research Demonstration and Dissemination Projects for Combating Antibiotic-Resistant Bacteria (CARB)[R18] and Large Research Projects for Combating Antibiotic-Resistant Bacteria (CARB) (R01) Deadline: R18 due: Jan. 25, 2022, 5 p.m. PT; R01 due: Feb. 5, 2022, 5 p.m. PT

**Biology** || NSF Dark Dimensions of the RNA Regulome (D2R2) Preliminary proposal due: Jan. 31, 2022, 5 p.m. PT; Full proposal due: Aug. 31, 2022, 5 p.m. PT

**February 2022**

**Neuroscience** || NIA Cell-Specific Impact of Liquid-Liquid Phase Separation in Aging and AD/ADRD (R21 Clinical Trial Not Allowed) LOI due: Feb. 1, 2022 (LOI not required but highly encouraged); Application due: March 3, 2022, 5 p.m. PT

**Multidisciplinary** || Multiple NIH Organizations NIH HEAL Initiative: Preventing Opioid Misuse and Co-Occurring Conditions by Intervening on Social Determinants (R01 Clinical Trials Optional) LOI due: Feb. 2, 2022 (LOI not required but highly encouraged); Application due: March 2, 2022, 5 p.m. PT

**Aging** || NIA Transition to Aging Research for Predoctoral Students (F99/K00 Clinical Trial Not Allowed) Deadline: Feb. 3, 2022, 5 p.m. PT

**Gastroenterology** || NIDDK High-Resolution Exploration of the Human Islet Tissue Environment [HIRN Human Pancreas Analysis Consortium (HPAC)] (U01 - Clinical Trial Not Allowed) LOI due: Feb. 3, 2022 (LOI not required but highly encouraged); Application due: March 3, 2022, 5 p.m. PT
Endocrinology || NIDDK Pilot and Feasibility Studies to Improve Technology Adoption and Reduce Health Disparities in Type 1 Diabetes Mellitus (R01 Clinical Trial Required) 
LOI due: Feb. 3, 2021 (LOI not required but highly encouraged); Application due: March 3, 2021, 5 p.m. PT

Endocrinology || NIDDK Understanding and Targeting the Pathophysiology of Youth-onset Type 2 Diabetes – Clinical Centers (U01 Clinical Trial Not Allowed) 
LOI due: Feb. 3, 2022 (LOI not required but highly encouraged); Application due: March 3, 2022, 5 p.m. PT

Neuroscience || NIA and NINDS Role of Astrocytes in Degeneration of the Neurovascular Unit in AD/ADRDs (R01 Clinical Trial Not Allowed) 
Deadline: Feb. 4, 2022, 5 p.m. PT

Multidisciplinary || Multiple NIH Organizations Dyadic Interpersonal Processes and Biopsychosocial Outcomes (R01 - Basic Experimental Studies with Humans) and (R01 Clinical Trials Not Allowed) 
Deadline: Clinical R01 due: Feb. 5, 2022; Basic R01 due: March 5, 2022, 5 p.m. PT

Multidisciplinary || Multiple NIH Organizations Effectiveness of School-Based Health Centers to Advance Health Equity (R01 Clinical Trial Optional) 
Deadline: Feb. 5, 2022, 5 p.m. PT

Patient-Clinician Relationship: Improving Health Outcomes in Populations that Experience Health Care Disparities (R01 Clinical Trial Optional) 
Deadline: Feb. 5, 2022, 5 p.m. PT

Cancer || NCI Clinical Characterization of Cancer Therapy-induced Adverse Sequelae and Mechanism-based Interventional Strategies (R01 Clinical Trial Optional) 
Deadline: Feb. 5, 2022, 5 p.m. PT

Cancer || NCI Modulating Human Microbiome Function to Enhance Immune Responses Against Cancer (R01 Clinical Trial Not Allowed) and (R21 Clinical Trial Not Allowed) 
Deadline: R01 due: Feb. 5, 2022, 5 p.m. PT; R21 due: Feb. 16, 2022, 5 p.m. PT

Multidisciplinary || NCI and NHLBI Notice of Special Interest (NOSI): Prostate, Lung, Colorectal, and Ovarian Cancer (PLCO) Cohort Study (R24) 
Deadline: Open from Feb. 5, 2022 through May 8, 2023

Multidisciplinary || NCI, NHLBI and NINDS Notice of Special Interest (NOSI): Promoting research to understand vascular contributions to cognitive impairment and dementia (VCID) 
Deadline: Open from Feb. 5, 2022 through May 8, 2025

Neuroscience || NIA and NINDS Prodromal Synaptic and Circuit Changes that Contribute to AD/ADRD Onset and Progression (R01 Clinical Trial Not Allowed) 
Deadline: Feb. 5, 2022, 5 p.m. PT

Pediatrics || NICHD Innovative Screening Approaches and Therapies for Screenable Disorders in Newborns (R01 - Clinical Trial Optional), (R03 - Clinical Trial Optional) and (R21 - Clinical Trial Optional) 
R01 due: Feb. 5, 2022, 5 p.m. PT; R03 and R21 due: Feb. 16, 2022, 5 p.m. PT

Factors Underlying Dental, Oral, and Craniofacial Health Disparities 
Deadline: Open from Feb. 5, 2022 through Jan. 8, 2025

Ophthalmology || NEI Regenerative Medicine Clinical Trial Planning Grant (R34 - Clinical Trials Not Allowed) 
Deadline: Feb. 5, 2022, 5 p.m. PT

Multidisciplinary || NHLBI Notice of Special Interest (NOSI): Heart, Lung, Blood and Sleep Focused Ancillary Studies to Large Ongoing Clinical Studies (Revised) 
Deadline: Open from Feb. 5, 2022 through May 8, 2023
Multidisciplinary || NIDA and NIMH Notice of Special Interest (NOSI): Reducing Stigma Related to Drug Use in Human Service Settings Deadline: Open from Feb. 5, 2022 through Jan. 8, 2025

Multidisciplinary || NIMH Mood and Psychosis Symptoms during the Menopause Transition (R01 Clinical Trial Optional) and (R21 Clinical Trial Optional) Deadline: R01 due: Feb 5, 2022; R21 due: Feb. 16, 2022, 5 p.m. PT

Neuroscience || NINDS Notice of Special Interest: Biomarker Discover and Validation in Functional Neurological Disorders Deadline: Open from Feb. 5, 2022 through Jan. 8, 2025

Cancer || NCI Research Specialist (Clinician Scientist) Award (R50 Clinical Trial Not Allowed) Deadline: Feb. 8, 2021, 5 p.m. PT

Neuroscience || NIA and NINDS Clinical Relevance of the Linkage between Environmental Toxicant Exposures and Alzheimer's Disease and Related Dementias (R01 Clinical Trial Not Allowed) LOI due: Feb. 11, 2022 (LOI not required but highly encouraged); Application due: March 11, 2022, 5 p.m. PT

Aging || NIA Career Transition Award (K22 Independent Clinical Trial Not Allowed) Deadline: Feb. 12, 2022, 5 p.m. PT

Immunology || NIAID Notice of Special Interest (NOSI): Leveraging Microbial Exposure for Improving Mouse Models of Human Immunity Deadline: Open from Feb. 16, 2022 through Jan. 7, 2025

Pediatrics || NICHD Elucidating the Role of Nutrition in Care and Development of Preterm Infants (R01 Clinical Trial Optional) LOI due: Feb. 28, 2022 (LOI not required but highly encouraged); Application due: March 30, 2022, 5 p.m. PT

Multidisciplinary || NICHD and ORWH Promoting Reproductive Health for Adolescents and Adults with Disabilities (R01 Clinical Trial Optional) LOI due: Feb. 28, 2022 (LOI not required but highly encouraged); Application due: March 30, 2022, 5 p.m. PT

March 2022

Cancer || NCI Innovative Biospecimen Science Technologies for Basic and Clinical Cancer Research (R61 Clinical Trial Not Allowed) LOI due: March 22, 2021 (LOI not required but highly encouraged); Application due: April 22, 2022, 5 p.m. PT

May 2022

Cancer || NCI Exploratory Grants in Cancer Control (R21 Clinical Trial Optional) LOI due: May 7, 2022 (LOI not required but highly encouraged); Application due: June 7, 2022, 5 p.m. PT

June 2022

Multidisciplinary || Multiple NIH Organizations Research on Biopsychosocial Factors of Social Connectedness and Isolation on Health, Wellbeing, Illness, and Recovery (R01 Basic Experimental Studies with Humans Required), (R01 Clinical Trial Required) and (R01 Clinical Trials Not Allowed) Deadline: June 21, 2022, 5 p.m. PT

Open

Cancer || DoD Breast Cancer Research Program Awards Deadline: Not announced yet; will be posted here again when deadline is announced

Genomics || NHGRI Center for Inherited Disease Research (CIDR) High Throughput Sequencing and Genotyping Resource Access (X01 Clinical Trial Not Allowed) Applications are accepted by continuous receipt

Biology || NSF Biophotonics Applications accepted anytime
Biology || NSF Cellular and Biochemical Engineering Applications accepted anytime

Biology || NSF Dear Colleague Letter: Conferences for Building Computational Literacy in Biological Sciences Deadline: Open

Multidisciplinary || NSF Dear Colleague Letter: Pilot Projects for Cyberinfrastructure Centers of Excellence Deadline: Rolling

Biology || NSF Division of Integrative Organismal Systems Core Programs Applications accepted anytime

Biology || NSF Division of Molecular and Cellular Biosciences: Investigator-initiated research projects (MCB) Deadline: Open

Multidisciplinary || NSF Enabling Discovery through GENomic Tools (EDGE) Deadline: Open

Biology || NSF Infrastructure Innovation for Biological Research (Innovation) Deadline: Open

Biology || NSF Transitions to Excellence in Molecular and Cellular Biosciences Research (Transitions) Deadline: Open

Private

December 2021

Hematology || DKMS John Hansen Research Grant Deadline: Dec. 3, 2021

Neuroscience || Grass Foundation Fellowships Deadline: Dec. 5, 2021

Neuroscience || McKnight Foundation Technological Innovations in Neuroscience Awards LOI due: Dec. 6, 2021; Application due: April 25, 2021

Public Health || Robert Wood Johnson Foundation Transforming Academia for Equity Deadline: Dec. 6, 2021, noon PT
This organization is on the President’s List; submit a notice of intent form before applying

Neuroscience || Autism Science Foundation Pre- and Postdoctoral Training Awards and Medical Student Gap Year Research Training Awards Deadline: Dec. 7, 2021, 2 p.m. PT

Multidisciplinary || Cystic Fibrosis Foundation Pilot and Feasibility Awards Deadline: Dec. 7, 2021, 2 p.m. PT

Multidisciplinary || Cystic Fibrosis Foundation

Research Grants Deadline: Dec. 7, 2021, 2 p.m. PT

Nephrology || American Society of Nephrology Ben J. Lipps Research Fellowship Program Deadline: Dec. 8, 2021, 11 a.m. PT

Nephrology || American Society of Nephrology Pre-Doctoral Fellowship Award Program Deadline: Dec. 8, 2021, 11 a.m. PT

Nephrology || American Society of Nephrology William and Sandra Bennett Clinical Scholars Program Deadline: Dec. 8, 2021, 11 a.m. PT

Neuroscience || Michael J. Fox Foundation Edmond J. Safra Fellowship in Movement Disorders Deadline: Dec. 9, 2021, 2 p.m. PT

Multidisciplinary || National Academies of Sciences, Engineering, and Medicine Ford Foundation Fellowships Dissertation and Postdoctoral applications due: Dec. 9, 2021, 2 p.m. PT; Predoctoral applications due: Dec. 16, 2021, 2 p.m. PT; Supplementary materials due: Jan. 6, 2022, 2 p.m. PT

Psychiatry || Misophonia Research Fund Research Grants LOI due: Dec. 10, 2021; Full proposal due: March 11, 2022

Neuroscience || Tourette Association of America Young Investigator Award Preproposal due: Dec. 11, 2021; Full proposal due: Feb. 1, 2022
Surgery || American Society of Breast Surgeons Foundation Grants Deadline: Dec. 13, 2021, 8:59 p.m. PT

Cancer || The ASCO Foundation Conquer Cancer Advanced Clinical Research Award (ACRA) for Diversity and Inclusion in Breast Cancer Research LOI due: Dec. 14, 2021, 8:59 p.m. PT; Application due: Jan. 31, 2022, 8:59 p.m. PT

Cancer || The ASCO Foundation Conquer Cancer Research Professorship for Diversity and Inclusion in Breast Cancer LOI due: Dec. 14, 2021, 8:59 p.m. PT; Application due: Jan. 31, 2022, 8:59 p.m. PT

Multidisciplinary || Chan Zuckerberg Initiative Data Insights Deadline: Dec. 14, 2021, 5 p.m. PT

Otolaryngology || American Academy of Otolaryngology-Head and Neck Surgery 2022 CORE Funding Opportunities Deadline: Deadlines on Dec. 15 and 17 and Jan. 15 and 18

Cancer || A Breath of Hope Lung Foundation Peg’s Fight for Life Research Award LOI due: Dec. 15, 2021; Full proposal due: March 15, 2022, 9:59 p.m. PT

Orthopedics || Orthopaedic Research and Education Foundation Research Grants Deadline: Etiology of Hip Osteoarthritis Grants and Treatment of Osteoarthritis Research Grants LOIs due Dec. 15, 2021; all other grants due either Jan. 15 or Feb. 21, 2022

Infectious Disease || Pfizer Antimicrobial Stewardship (AMS) Programs to Address Health Inequities arising from Socioeconomic Disparities in USA, Europe, Japan, South Korea, Australia and New Zealand Deadline: Dec. 15, 2021, 2 p.m. PT

Obstetrics and Gynecology || Pfizer and Myovant Sciences Management of Endometriosis Deadline: Dec. 15, 2021, 8:59 p.m. PT

Pulmonology || American Lung Association Allergic Respiratory Diseases Research Award Deadline: Dec. 16, 2021, 8:59 p.m. PT

Pulmonology || American Lung Association Innovation Award Deadline: Dec. 16, 2021, 8:59 p.m. PT

Nephrology || American Kidney Fund Clinical Scientist in Nephrology (CSN) Fellowship Deadline: Dec. 17, 2021

Cancer || Alex’s Lemonade Stand Foundation RUNX1 Early Career Investigator Program Deadline: Dec. 20, 2021, 5 p.m. PT

Multidisciplinary || Pfizer Multidisciplinary Gene Therapy Education - Recombinant Adeno-Associated Virus (rAAV) Deadline: Dec. 21, 2022, 8:59 p.m. PT

January 2022

Anesthesiology || Anesthesia Patient Safety Foundation APSF/FAER Mentored Research Training Grant LOI due: Jan. 1, 2022; Full application due: Feb. 28, 2022

Genetics || Progeria Research Foundation Research Funding LOI due: Jan. 2, 2022; Full application due: April 1, 2022

Multidisciplinary || Doris Duke Charitable Foundation Physician Scientist Fellowship Deadline: Jan. 7, 2022, noon PT

Multidisciplinary || Pfizer 2021/2022 Global Cachexia ASPIRE Deadline: Jan. 7, 2022, 8:59 p.m. PT

Cancer || The ASCO Foundation Conquer Cancer Young Investigator Award Deadline:
Cancer ‖ HESI THRIVE Making Cancer Patient Quality of Life an Active Research Priority LOI due: Jan. 10, 2022; Application due: March 14, 2022

Neuroscience ‖ Simons Foundation Autism Research Initiative Transforming Academia for Equity Deadline: Jan. 10, 2022, 2 p.m. PT

Dermatology ‖ National Psoriasis Foundation Research Funding Deadline: Jan. 21, 2022, 5 p.m. PT

Gastroenterology ‖ Pfizer 2022 Inflammatory Bowel Disease (IBD) Fellowship Deadline: Jan. 27, 2022, 8:59 p.m. PT

February 2022

Cancer ‖ Leukemia Research Foundation Hollis Brownstein Research Grants Program LOI due: Feb. 4, 2022, 10 a.m. PT; Applications due: April 4, 2022, 10 a.m. PT

Gastroenterology ‖ Pfizer 2022 IBD Competitive Grant Program Deadline: Feb. 7, 2022, 8:59 p.m. PT

March 2022

Cardiology ‖ Abbott Fellowship Program

Grants Deadline: March 1, 2021

Hematology ‖ Pfizer 2022 Global Hemophilia ASPIRE Deadline: March 1, 2022, 8:59 p.m. PT

Open

HIV/AIDS ‖ amfAR Target Grants Deadline: Rolling

Substance Use ‖ Charles Koch Foundation Substance Abuse Research Grants Deadline: Rolling

Neuroscience ‖ Cure SMA Newborn Screening for Spinal Muscular Atrophy Program Deadline: Rolling

Pulmonology ‖ Cystic Fibrosis Foundation Path to a Cure: Industry Award Program Deadline: Rolling, but LOI required

Multidisciplinary ‖ Robert Wood Johnson Foundation Evidence for Action: Innovative Research to Advance Racial Equity Deadline: Rolling; applicant webinar on Oct. 13, 2021, 10 a.m. PT

This organization is on the President’s List; submit a notice of intent form before applying

Multidisciplinary ‖ Robert Wood Johnson Foundation Pioneering Ideas: Exploring the Future to Build a Culture of Health Deadline: Rolling

This organization is on the President’s List; submit a notice of intent form before applying

Neuroscience ‖ SFARI Supplement to Enhance Equity and Diversity (SEED) Deadline: Rolling

This organization is on the President’s List; submit a notice of intent form before applying
