

OHSU Funding Alerts: Week of January 5, 2023

OHSU Funding Opportunities

Cancer || Kuni Foundation [Imagination Grants for Cancer Research](#)

What: One-year grants intended to fulfill an unmet need or to advance efforts in the pursuit of impactful and innovative cancer research; can be used to support an existing program in order to broaden or strengthen the work or take the research to the next critical phase, or to fund a new project with an emphasis on the components that will enable the launch of a new project

Who should apply: OHSU researchers with a faculty appointment; the Foundation's grants are directed toward organizations located in and directly serving residents of Oregon and Washington. They also support collaborative, multi-institutional efforts when the work is being led by researchers based in Oregon or Washington, and resubmissions are discouraged

Award: Up to \$75,000 including 10 percent indirect costs/up to one year

How to apply: Imagination Grants require internal coordination because the Kuni Foundation is on the [President's List](#), and the OHSU Foundation must submit all proposals on behalf of OHSU in Kuni's portal. If you are interested in applying, submit a [Notice of](#)

[Intent form](#) by Monday, Jan. 9. Proposal templates will be sent to applicants beginning the week of Jan. 9. Note that all proposals will require OPAM approval prior to submission
Deadline: *Notice of intent due:* Jan. 9, 2023;
Application due: Feb. 13, 2023
Send questions to ohsufr@ohsu.edu

Women's Health || Circle of Giving [Women's Health Research Funding Opportunity](#)

What: Supports new or established investigators interested in developing innovative directions in research that will advance women's health; applications may be in basic science, clinical investigation, population health or behavioral research
Who should apply: OHSU faculty at the rank of instructor, assistant, associate or full professor

Award: \$125,000/one year

Deadline: Jan. 13, 2023

[Apply through the CAP](#)

Pediatrics || OHSU Doernbecher Children's Hospital [2023 Friends of Doernbecher Grant Program](#)

What: Supports clinical and research projects and programs at OHSU Doernbecher Children's Hospital; pediatric-related research projects and programs that impact children's health are supported by the program

Who should apply: OHSU and Doernbecher faculty, clinical and research staff, graduate students, medical students, fellows and postdoctoral fellows

Award: Up to \$50,000/one year

Deadline: Feb. 17, 2023, 5 p.m. PT
[Apply through the CAP](#)

Multidisciplinary || NIGMS, OHSU Research & Innovation and Vollum Institute [OHSU Postbaccalaureate Research Education Program \(PREP\)](#)

What: Program for recruiting and retaining Persons Excluded because of their Ethnicity or Race (PEER) postbacs for an intensive, mentored experience research experience with the goal to prepare them for pursuing a graduate degree in biomedical research

Who should apply: Researchers who have graduated or are in the process of graduating with a baccalaureate degree in a biomedically relevant science from an accredited college or university within the last three years before they apply, are US citizens, nationals or permanent residents, are not currently enrolled in a degree program and belong to a group considered to be underrepresented in biomedical research; [see more details](#)

Award: Competitive research assistant salary and health benefits/one year

Deadline: March 1, 2023, 11:59 p.m. PT

Send questions to PREPtograd@ohsu.edu

[Apply through the CAP](#)

New this week!

Public Health || OHSU-PSU [School of Public Health Kickstarter Awards](#)

What: Funding to support pre-award activities that advance the preparation of high-quality grant or contract applications or support

student-led research

Who should apply: OHSU and PSU faculty with primary appointment in OHSU-PSU School of Public Health who have an extramural RFA or other opportunity identified or students in OHSU-PSU School of Public Health

Award: Between \$500 and \$5,000/up to six months

Deadline: Accepted on a rolling basis through June 1, 2023

[Apply through the CAP](#)

Multidisciplinary || OCTRI [Mobile Apps for Clinical Studies \(MACS\)](#)

What: Funding to leverage MyCap to create mobile apps that allow clinical study participants to report data via a smartphone

Who should apply: PIs who want to create a mobile app for clinical or commercial purposes

Award: Up to \$5,000/typically one year

Deadline: Rolling; application will close when funding for the fiscal year is exhausted

[Submit project intake form through REDCap](#)

Multidisciplinary || OHSU [Fellowship for Diversity in Research](#)

What: Funds researchers with the goal of increasing the diversity of the community of scholars devoted to academic scientific research at OHSU

Who should apply: Investigators with postdoctoral training experience looking to establish an independent academic research career; scholars who identify as underrepresented minorities, differently-abled

and more are welcomed

Award: Up to \$8,000 plus a stipend

Deadline: Applications accepted anytime

Multidisciplinary || OHSU School of Medicine [Exploratory Research Seed Grants](#)

What: Supports investigators who need to work with an OHSU core or with the Pacific Northwest National Laboratory (PNNL) to develop preliminary data for an application for extramural research support

Who should apply: School of Medicine faculty in the professorial series who have not received this award within the last year

Award: Up to \$5,000/one year

Deadline: Applications accepted anytime

[Apply through the CAP](#)

Limited Submission Opportunities

Multidisciplinary || NSF [Major Research Instrumentation Program: \(MRI\)](#)

What: Supports the acquisition or development of a multi-user research instrument that is, in general, too costly and/or not appropriate for support through other NSF programs

Who should apply: Anyone who would like to acquire an expensive research instrument

Award: Up to \$4 million/up to five years

Deadline: *Internal submission:* Jan. 5, 2023;

Application due: Feb. 21, 2023, 5 p.m. PT

[Apply through the CAP](#)

Cancer || The Hope Foundation for Cancer Research [Dr. Charles A. Coltman Jr. Fellowship](#)

What: Encourages investigators from [SWOG](#) member institutions to either learn clinical trial methodology or expand current research interests within a cooperative group environment

Who should apply: SWOG members who hold an early career faculty appointment or have no more than seven years of experience in clinical research; [further eligibility info in program description](#)

Award: \$100,000/two years

Deadline: *Internal submission due:* Jan. 6, 2023; *Application due:* March 1, 2023

[Apply through the CAP](#)

Multidisciplinary || NIGMS [NIH Research Evaluation and Commercialization Hubs \(REACH\) Awards \(U01 Clinical Trial Optional\)](#)

What: Supports the renewal of the NIH Research Evaluation and Commercialization Hub (REACH) program, established to facilitate and accelerate the translation of academic biomedical discoveries into products that improve patient care and public health

Who should apply: Primary applicant organizations must be a university or other research institution that participates in the NIH STTR program

Award: Up to \$4 million/up to four years

Deadline: *Internal submission:* Jan. 9, 2023;

Application due: Feb. 9, 2023, 5 p.m. PT

[Apply through the CAP](#)

Cancer || Cancer Research Institute [Irvington Postdoctoral Fellowship Program](#)

What: Supports young immunologists and cancer immunologists by continuing their training under the guidance of a world-renowned immunologist who mentors the fellow and prepares them for a productive and successful career in cancer immunology

Who should apply: Postdocs working in immunology or cancer immunology who have less than five years of relevant postdoc experience

Award: \$186,000/three years

Deadline: Internal submission: Jan. 10, 2023;

Application due: March 1, 2023, 2 p.m. PT

[Apply through the CAP](#)

Multidisciplinary || Vascular Cures [Wylie Scholar Program](#)

What: Provides development grants to vascular surgeon-scientists in the early stages of their careers

Who should apply: Active clinical vascular surgeons who are full-time faculty and are not currently funded by a career development award from the NIH or similar extramural funding agencies; [further eligibility info in program description](#)

Award: \$150,000/up to three years

Deadline: Internal submission due: Jan. 12, 2023; Application due: March 1, 2023

[Apply through the CAP](#)

Merit Prizes and Awards

Multidisciplinary || NOSTER & Science [Microbiome Prize](#)

What: Honors innovative research by young investigators working on the functional attributes of the microbiota of any organism that has potential to contribute to our understanding of human or veterinary health and disease or to guide therapeutic interventions

Who should apply: Early career scientists who hold an MD, PhD, or combination at the time of entry and have received their degree in the last 10 years; submitted work must have been done or directed by applicant in the past three years

Award: \$25,000

Deadline: Jan. 24, 2023

Multidisciplinary || Association of American Medical Colleges [Herbert W. Nickens Award](#)

What: Honors an individual who has made outstanding contributions to promoting justice in medical education and health care equity in the United States

Who should apply: Researchers who have made exemplary contributions to promoting diversity, equity, and inclusion, with a focus on promoting social justice and health equity in the health professions

Award: \$10,000

Deadline: March 17, 2023, 8:59 p.m. PT

COVID-19 Opportunities

Due to the decline in new funding opportunities related to COVID-19, we are transitioning the separate COVID-19 Funding Alerts to this space. You can still [view the archive of COVID-19 Funding Alerts](#), and a [list of still-open opportunities](#) will be updated weekly.

New this week!

Neuroscience || NINDS [Notice of Information: NINDS Extensions for Career Development Award Recipients Whose Career Trajectories Have Been Significantly Impacted by COVID-19](#)

Multidisciplinary || Pfizer [Rapid Education on Drug-Drug Interactions in COVID-19 Outpatient Treatment](#)

What: Supports rapidly developed and deployed educational programs that address potential knowledge gaps related to drug-drug interactions in COVID-19 outpatient treatment

Who should apply: Healthcare providers who manage patients with COVID-19

Award: Up to \$200,000/up to two years

Deadline: Jan. 10, 2023, 8:59 p.m. PT

Multidisciplinary || Pfizer [Knowledge Gaps in Managing Obesity and COVID-19](#)

What: Supports educational programs that address knowledge gaps in identifying obesity

as a high-risk factor for developing severe COVID-19 outcomes

Who should apply: Healthcare providers with a research interest in obesity and COVID outcomes

Award: Up to \$200,000/up to one year

Deadline: Jan. 18, 2023, 8:59 p.m. PT

New this week!

Multidisciplinary || NIAMS [Notice of Special Interest \(NOSI\): Promoting Research on COVID-19 and Rheumatic, Musculoskeletal and Skin Diseases](#)

What: Supports research on the impact of COVID-19 as related to diseases and conditions within the NIAMS mission

Who should apply: Anyone with a research interest in COVID-19 and arthritis and musculoskeletal and skin diseases

Award: Dependent upon FOA you apply through

Deadline: Running from Feb. 5, 2023 through Jan. 8, 2024

Multidisciplinary || Multiple NIH

Organizations [Notice of Special Interest \(NOSI\): Research Supplements to Promote Data Science Workforce Diversity to Reveal Scientific Insights of COVID-19 Testing Technologies \(Admin Supp Clinical Trial Not Allowed\)](#)

What: Supplements to enhance the diversity of the data science workforce to address questions and scientific inquiry related to SARS-CoV-2 through existing data resources in

the Rapid Acceleration of Diagnostics Data Hub ([RADx Data Hub](#)), including and in conjunction with other data resources

Who should apply: PIs with existing RADx parent projects

Award: Up to \$150,000/up to one year

Deadline: Feb. 20, 2023, 5 p.m. PT

Multidisciplinary || Multiple NIH

Organizations [Notice of Special Interest \(NOSI\): Advance Data Science Approaches Through Secondary Data Analysis to Reveal Scientific Insights of COVID-19 Testing Technologies \(R21\)](#)

What: Supplements to support secondary data analysis to address questions and advance scientific inquiry related to SARS-CoV-2 through the existing data resources in the Rapid Acceleration of Diagnostics Data Hub ([RADx DataHub](#)), including and in conjunction with other data resources

Who should apply: PIs interested in the Rapid Acceleration of Diagnostics Data Hub

Award: Up to \$275,000/up to two years

Deadline: May 31, 2023, 5 p.m. PT

NIH Federal Opportunities

This week the NIH released funding opportunities concerning [microphysiological systems, orthopedics, and skin biology](#). We've highlighted some opportunities of potential interest below.

Multidisciplinary || Multiple NIH

Organizations [Biomedical Knowledgebase \(U24 - Clinical Trials Not Allowed\)](#)

What: Supports biomedical knowledge bases that have the primary function to extract, accumulate, organize, annotate, and link growing bodies of information related to core datasets; see also [PAR-23-079](#)

Who should apply: Anyone with a research interest in biomedical knowledge bases; PIs are strongly encouraged to devote at least 2.25-person months to the project

Award: Not limited/up to five years

Deadline: Jan. 25, 2023, 5 p.m. PT

Multidisciplinary || NICHD, NIDCR, and NCI [Small Research Grants for Analyses of Gabriella Miller Kids First Pediatric Research Data \(R03 Clinical Trial Not Allowed\)](#)

What: Supports small research projects focused on analyses of childhood cancer and structural birth defects genomic datasets generated by the Kids First program and associated phenotypic datasets

Who should apply: Anyone with a research interest in analyses of childhood cancer and structural birth defects genomic datasets

Award: Up to \$200,000/up to two years

Deadline: Feb. 16, 2023, 5 p.m. PT

Mental Health || NIMH [Bidirectional Influences Between Adolescent Social Media Use and Mental Health \(R01 Clinical Trial Optional\)](#)

What: Supports applications that focus on

understanding bidirectional relationships between social media use and adolescent mental health, psychiatric symptoms, and risk or resilience for psychopathology; see also [RFA-MH-23-116](#)

Who should apply: Anyone with a research interest in social media use and adolescent mental health

Award: Not limited/up to five years

Deadline: *LOI due: Feb. 24, 2023 (LOI not required but highly encouraged); Application due: March 24, 2023, 5 p.m. PT*

Administrative Supplements

Cancer || NCI [Notice of Special Interest \(NOSI\): Administrative Supplement to Support Global Cancer Stigma Research](#)

Multidisciplinary || NIAID and NIMHD [Notice of Special Interest \(NOSI\): Administrative Supplements to NIH Centers for AIDS Research \(CFAR\) and NIMH AIDS Research Centers \(ARC\) for Ending the HIV Epidemic \(EHE\)](#)

Multidisciplinary || NIMHD, NIDA, and ORWH [Notice of Special Interest \(NOSI\): Administrative Supplements to Support Addiction Science and Related Neuroscience Pilot Research Projects at NIMHD-Funded Research Centers in Minority Institutions \(RCMI\)](#)

Other Federal Opportunities

Multidisciplinary || DoD Tuberos Sclerosis Complex Research Program [Clinical Translational Research Award](#)

What: Supports studies that will move promising, well-founded preclinical and/or clinical research findings closer to clinical application, including diagnosis, prognosis, or treatment of tuberous sclerosis complex

Who should apply: Independent investigators at or above the level of assistant professor or equivalent

Award: Up to \$1.15 million/up to three years

Deadline: *Not announced yet; will be posted here again when deadline is announced*

Multidisciplinary || DoD Tuberos Sclerosis Complex Research Program [Exploration - Hypothesis Development Award](#)

What: Supports the initial exploration of innovative, high-risk, high-gain, and potentially groundbreaking concepts in the tuberous sclerosis complex research field

Who should apply: Independent investigators at or above the level of postdoctoral fellow or equivalent

Award: Up to \$150,000/up to two years

Deadline: *Not announced yet; will be posted here again when deadline is announced*

Multidisciplinary || DoD Tuberos Sclerosis Complex Research Program [Idea Development Award](#)

What: Supports new ideas that have the

potential to yield high-impact findings and new avenues of investigation in tuberous sclerosis complex

Who should apply: Independent investigators; levels for established and new-to-the-field investigators

Award: Up to \$500,000/up to three years

Deadline: *Not announced yet; will be posted here again when deadline is announced*

Private Opportunities

Immunology || CEPI [Calls for Proposals](#)

What: Invites research teams, vaccine developers, and others from around the world to apply to our scientific programs to advance the development of vaccines and tools against epidemic and pandemic threats

Who should apply: Research teams, vaccine developers, and others

Award: Dependent upon call

Deadline: **Proposals are currently due between Jan. 17, Jan. 31, and March 3, 2023**

This organization is on the [President's List](#); submit a [notice of intent form](#) before applying

Cancer || American Association for Cancer Research [AACR-Lobular Breast Cancer Alliance Invasive Lobular Carcinoma Research Fellowship](#)

What: Supports research projects with direct applicability and relevance to invasive lobular carcinoma and to help establish a successful career path in the field

Who should apply: Applicants must be within five years from their degree or medical residency (degree cannot have been conferred before July 1, 2018); work under the auspices of a mentor; propose a project with a lobular breast cancer focus; and work at an academic, medical, or research institution

Award: Up to \$120,000/up to two years

Deadline: *LOI due: Jan. 20, 2023, 10 a.m. PT;*

Full proposal due: April 21, 2023, 10 a.m. PT

Cardiology || American Heart Association [Health Equity Research Network \(HERN\) on Improving Access to Care and other Health Inequities in Rural America](#)

What: Supports research that will directly address the individual factors, social determinants, and healthcare delivery system challenges that are unique to rural communities

Who should apply: Academic institutions that primarily educate individuals from groups who are under-represented in the sciences or from investigators at a non-research-intensive institution as defined by NIH or networks partnered with an institution from such an institution; [more eligibility info in program description](#)

Award: Up to \$20 million/four years

Deadline: *Pre-proposal due: Jan. 26, 2023; Full proposal due: April 4, 2023, 1 p.m. PT*

Spinal Cord Injury || Craig H. Neilsen Foundation [Creating Opportunity & Independence](#)

What: Supports organizations that provide programs and services to enhance quality of life for individuals and families living with spinal cord injury

Who should apply: Nonprofit organizations or rehabilitation facilities located in the United States or Canada

Award: Up to \$200,000/up to two years

Deadline: *LOI due: Jan. 30, 2023, 2 p.m. PT;*

Full proposal due: April 21, 2023, 2 p.m. PT

Multidisciplinary || Herb Society of America [Research Grants](#)

What: Supports research on the horticultural, scientific, and/or medicinal use of herbs throughout history

Who should apply: Students, professionals, and individuals engaged in research on horticultural, scientific, and social uses of herbs throughout history

Award: Up to \$10,000/not specified

Deadline: *Jan. 31, 2023*

Mobile Health || Harvard Medical School's Mobile Health Map and the Mobile Healthcare Association [Mobile Health Innovation Collaborative](#)

What: Nine-month program in which people who operate mobile clinics will learn new skills and receive technical assistance to measure, and communicate their impact

Who should apply: Clinics that are members of the Mobile Healthcare Association, registered with Mobile Health Map, and have been operational for at least two years

Award: Up to \$25,000/up to nine months

Deadline: *Feb. 10, 2023*

Cancer || Prostate Cancer Foundation [Young Investigator Awards](#)

What: Supports young prostate cancer investigators to advance the career and research efforts of the awardee such as funding protected time or direct costs for laboratory science

Who should apply: Applicant must be within six years of a professional degree or subsequent mentored academic or clinical training program and hold the title of postdoctoral fellow, instructor, research associate, assistant professor, or equivalent; [more eligibility info in RFA](#)

Award: Up to \$225,000/up to three years

Deadline: *LOI due: Feb. 10, 2023; Full proposal due: April 24, 2023, noon PT*

This organization is on the [President's List](#); submit a [notice of intent form](#) before applying

Neuroscience || Cystic Fibrosis Foundation [Clinical Fellowship Awards](#)

What: Supports specialized cystic fibrosis training early in a physician's career and prepare candidates for careers in academic medicine

Who should apply: Applicants must be eligible for board certification in pediatrics or internal medicine by the time the fellowship begins and are expected to be sub-specialty board eligible at the completion of the fellowship program

Award: Up to \$100,000/up to two years
Deadline: Third, Fourth, and Fifth Year Fellowships due Feb. 16, 2023, 2 p.m. PT; First and Second Year Fellowships due March 1, 2023, 2 p.m. PT

Neuroscience || Cystic Fibrosis Foundation [Harry Shwachman Clinical Investigator Award](#)

What: Supports clinically trained physicians to develop into independent biomedical research investigators who are actively involved in cystic fibrosis-related areas

Who should apply: Junior faculty and senior fellows

Award: Up to \$390,000/up to three years
Deadline: Feb. 16, 2023, 2 p.m. PT

Neuroscience || Cystic Fibrosis Foundation [LeRoy Matthews Physician-Scientist Award](#)

What: Supports newly trained pediatricians and internists to enhance clinical proficiency in cystic fibrosis-related sub-specialties and to develop the necessary research capabilities to become independent biomedical investigators
Who should apply: U.S. citizens or permanent residents; award candidates can be identified as early as their second year of residency training or at any time during their sub-specialty training

Award: Up to \$130,000/not specified
Deadline: Feb. 16, 2023, 2 p.m. PT

Cardiology || National Medical Association and Pfizer [Quality Improvement Initiatives to Address Healthcare Barriers for Cardiac](#)

Amyloidosis

What: Supports identify significant barriers that contribute to geographic and racial healthcare disparities disproportionately impacting minority populations potentially affected by cardiac amyloidosis

Who should apply: Anyone with a research interest in cardiac amyloidosis

Award: Up to \$150,000/not specified
Deadline: Feb. 16, 2023

Previously Published Opportunities

Federal

January 2023

Cancer || NCI [Feasibility Studies to Build Collaborative Partnerships in Cancer Research \(P20 Clinical Trial Not Allowed\)](#) Application due: Jan. 6, 2023, 5 p.m. PT

Multidisciplinary || NIAID, NIMH, and ORIP [HIV/AIDS Scholars Using Nonhuman Primate \(NHP\) Models Program \(K01 Independent Clinical Trial Not Allowed\)](#) Deadline: Jan. 7, 2023, 5 p.m. PT

Multidisciplinary || NCCIH and NIA [Research Networks to Promote Multidisciplinary Mechanistic Studies on Music-Based Interventions for Pain or Alzheimer's Disease and Alzheimer's Disease Related Dementias \(AD/ADRD\) \(U24 Clinical Trial Optional\)](#) Application due: Jan. 10, 2023, 5 p.m. PT

Infectious Disease || NIAID [Investigator Initiated Program Project Applications \(P01 Clinical Trial Not Allowed\)](#) Application due: Jan. 11, 2023; AIDS application due: May 7, 2023, 5 p.m. PT

Multidisciplinary || NHLBI, NICHD, and NIDDK [Chronic Kidney Disease in Children Central Biochemistry Laboratory \(U24 Clinical Trial Not Allowed\)](#) Application due: Jan. 12, 2023, 8:59 p.m. PT

Multidisciplinary || Multiple NIH Organizations [HEAL Initiative Integrated Basic and Clinical Team-based Research in Pain \(RM1 Clinical Trial Optional\)](#) LOI due: Jan. 14, 2023 (LOI not required but highly encouraged); Application due: Feb. 14, 2023, 5 p.m. PT

Multidisciplinary || Multiple NIH Organizations [Immunity in Older Adults \(U01 Clinical Trial Not Allowed\)](#) LOI due: Jan. 14, 2023 (LOI not required but highly encouraged); Application due: Feb. 14, 2023, 5 p.m. PT

Cancer || NCI [Pragmatic Trials across the Cancer Control Continuum \(UG3/UH3 Clinical Trial Required\)](#) LOI due: Jan. 14, 2022 (LOI not required but highly encouraged); Application due: Feb. 14, 2023, 8:59 p.m. PT

Multidisciplinary || NCCIH, NCI, and NIDA [Cannabis and Cannabinoid Use in Adult Cancer Patients During Treatment: Assessing](#)

[Benefits and Harms \(U01 Clinical Trial Not Allowed\)](#) LOI due: Jan. 17, 2023 (LOI not required but highly encouraged); Application due: Feb. 17, 2023, 5 p.m. PT

Multidisciplinary || [NHLBI Notice of Special Interest \(NOSI\): Basic and Translational Research on Circadian Regulation of Heart, Lung, Blood, and Sleep Disorders \(R01\)](#)
Deadline: Rolling starting Jan. 25, 2023 through Jan. 7, 2028

Multidisciplinary || [NCI and NIDCR AHEAD \(Advancing Head and Neck Cancer Early Detection Research\) \(U01 Clinical Trial Not Allowed\)](#) Application due: Jan. 27, 2023, 5 p.m. PT

February 2023

Substance Use || [NCCIH, NIAAA and NIDA HEAL Initiative: Rapidly Assessing the Public Health Impact of Emerging Opioid Threats \(UG1 - Clinical Trial Optional\)](#) Application due: Feb. 2, 2023, 5 p.m. PT

Substance Use || [NIDA Functional Validation and/or Characterization of Genes or Variants Implicated in Substance Use Disorders \(R21/R33 Clinical Trial Not Allowed\)](#) LOI due: Feb. 2, 2023 (LOI not required but highly encouraged); Application due: March 2, 2023, 5 p.m. PT

Multidisciplinary || [NSF Science and](#)

[Technology Studies \(STS\)](#) Deadline: Feb. 2, 2023, 5 p.m. PT

Substance Use || [NCCIH, NIAAA and NIDA HEAL Initiative: Development and validation of virtual assessments to study children and caregivers in their natural environment \(R01-Clinical Trial Not Allowed\)](#) Application due: Feb. 3, 2023, 5 p.m. PT

Multidisciplinary || [NIH Common Fund Pilot Projects Enhancing Utility and Usage of Common Fund Data Sets \(R03 Clinical Trial Not Allowed\)](#) Deadline: Feb. 3, 2023, 5 p.m. PT

Multidisciplinary || [Multiple NIH Organizations Engineering Next-Generation Human Nervous System Microphysiological Systems \(R01 Clinical Trials Not Allowed\)](#) Deadline: Feb. 5, 2023, 5 p.m. PT

Multidisciplinary || [NHLBI Notice of Special Interest \(NOSI\): Advancing Research in Lipoprotein\(a\) and Cardiovascular Disease \(R01 Clinical Trials Allowed\) and \(R01 No Clinical Trials Allowed\)](#) Deadline: Rolling from Feb. 5, 2023 through Jan. 7, 2026

Multidisciplinary || [Multiple NIH Organizations Notice of Special Interest \(NOSI\): Firearm Injury and Mortality Prevention Research](#) Deadline: Running from Feb. 5, 2023 through Feb. 5, 2026

Multidisciplinary || [Multiple NIH Organizations](#)

[Notice of Special Interest \(NOSI\): Implementation Science to Advance Maternal Health and Maternal Health Equity for the IMPROVE initiative](#) Deadline: Rolling starting Feb. 6, 2023 through May 8, 2025

Multidisciplinary || [Multiple NIH Organizations Implementation Research on Noncommunicable Disease Risk Factors among Low- and Middle-Income Country and Tribal Populations Living in City Environments \(R01 Clinical Trial Optional\) and \(R61/R33 Clinical Trial Required\)](#) Deadline: LOI due: Feb. 9, 2023 (LOI not required but highly encouraged); Application due: March 9, 2023, 5 p.m. PT

Multidisciplinary || [NIDDK Toward Elucidating Mechanisms of HIV Pathogenesis within the Mission of the NIDDK \(Pathogenesis TEAMS\) \(R01 Clinical Trial Optional\)](#) LOI due: Feb. 15, 2023 (LOI not required but highly encouraged); Application due: March 15, 2023, 5 p.m. PT

Multidisciplinary || [NEI, NIA, and NIBIB Trailblazer Award for New and Early Stage Investigators \(R21 Clinical Trial Optional\)](#) Deadline: Feb. 16, 2023, 5 p.m. PT

March 2023

Aging || [NIA Multi-site Clinical Trial Implementation Grant \(R01 Clinical Trial Required\)](#) Deadline: March 7, 2023, 5 p.m. PT

Multidisciplinary || Multiple NIH Organizations [Short Courses on Innovative Methodologies and Approaches in the Behavioral and Social Sciences \(R25 Independent Clinical Trial Not Allowed\)](#) *LOI due: March 17, 2023 (LOI not required but highly encouraged); Application due: April 17, 2023, 5 p.m. PT*

Multidisciplinary || Multiple NIH Organizations [Development of Animal Models and Related Biological Materials for Down Syndrome Research \(R21 Clinical Trials Not Allowed\)](#) *Deadline: March 20, 2023, 5 p.m. PT*

April 2023

Multidisciplinary || Multiple NIH Organizations [Catalyst Award for Early-Stage Investigators \(ESIs\) Pursuing Research on HIV Comorbidities, Coinfections, and Complications \(DP1- Clinical Trial Optional\)](#) *LOI due: April 1, 2023 (LOI not required but highly encouraged); Application due: May 1, 2023, 5 p.m. PT*

June 2023

Multidisciplinary || NICHD and ORWH [Multisite Clinical Research: Leveraging Network Infrastructure to Advance Research for Women, Children, Pregnant and Lactating Individuals, and Persons with Disabilities \(U01 Clinical Trial Optional\)](#) *Deadline: June 5, 2023, 5 p.m. PT*

Multidisciplinary || Multiple NIH Organizations [Notice of Special Interest \(NOSI\): BRAIN Initiative: Notice of Support for Research on Interception Circuits](#) *Deadline: Rolling starting June 15, 2023 through Oct. 3, 2024*

September 2023

Multidisciplinary || Multiple NIH Organizations [Notice of Special Interest \(NOSI\): Advancing the Science of Geriatric Palliative Care](#) *Deadline: Rolling through Sept. 8, 2023*

Open

Neuroscience || DoD Amyotrophic Lateral Sclerosis Research Program [Awards](#) *Deadline: Not announced yet; will be posted here again when deadline is announced*

Cancer || DoD Breast Cancer Research Program [Awards](#) *Deadline: Not announced yet; will be posted here again when deadline is announced*

Multidisciplinary || DoD Defense Medical Research and Development Program [Battlefield Wound Management and Infection Research \(BWMIR\) Award](#) *Deadline: Not announced yet; will be posted here again when deadline is announced*

Neuroscience || DoD Epilepsy Research Program [Awards](#) *Deadline: Not announced yet; will be posted here again when deadline is*

announced

Genomics || NHGRI [Center for Inherited Disease Research \(CIDR\) High Throughput Sequencing and Genotyping Resource Access \(X01 Clinical Trial Not Allowed\)](#) *Applications are accepted by continuous receipt*

Biology || NSF [Biophotonics](#) *Applications accepted anytime*

Biology || NSF [Cellular and Biochemical Engineering](#) *Applications accepted anytime*
