

OHSU Funding Alerts: Week of January 19, 2023

OHSU Funding Opportunities

Pediatrics || OHSU Doernbecher Children's Hospital [2023 Friends of Doernbecher Grant Program](#)

What: Supports clinical and research projects and programs at OHSU Doernbecher Children's Hospital; pediatric-related research projects and programs that impact children's health are supported by the program

Who should apply: OHSU and Doernbecher faculty, clinical and research staff, graduate students, medical students, fellows and postdoctoral fellows

Award: Up to \$50,000/one year

Deadline: Feb. 17, 2023, 5 p.m. PT

[Apply through the CAP](#)

Multidisciplinary || NIGMS, OHSU Research & Innovation and Vollum Institute [OHSU Postbaccalaureate Research Education Program \(PREP\)](#)

What: Program for recruiting and retaining Persons Excluded because of their Ethnicity or Race (PEER) postbacs for an intensive, mentored experience research experience with the goal to prepare them for pursuing a graduate degree in biomedical research

Who should apply: Researchers who have graduated or are in the process of graduating

with a baccalaureate degree in a biomedically relevant science from an accredited college or university within the last three years before they apply, are US citizens, nationals or permanent residents, are not currently enrolled in a degree program and belong to a group considered to be underrepresented in biomedical research; [see more details](#)

Award: Competitive research assistant salary and health benefits/one year

Deadline: March 1, 2023, 11:59 p.m. PT

Send questions to PREPtoograd@ohsu.edu

[Apply through the CAP](#)

New this week!

Nursing || OHSU School of Nursing Hartford Center of Gerontological Excellence [Hartford Award for Research and Practice](#)

What: Provides support for SON faculty research and practice change projects aimed at improving the health and health care of older adults through innovations in care; [view guidelines here](#)

Who should apply: All OHSU School of Nursing faculty who have a clinical or research doctorate, especially early-career investigators

Award: Up to \$25,000/one year

Deadline: April 24, 2023, 5 p.m. PT

Submit all inquiries to [Marilyn Sanguinetti](mailto:Marilyn.Sanguinetti@ohsu.edu) and submit completed applications to [Marilyn Sanguinetti](mailto:Marilyn.Sanguinetti@ohsu.edu) with a copy to SNORDS@ohsu.edu

New this week!

Multidisciplinary || OHSU School of Nursing

Hartford Center of Gerontological Excellence [Interprofessional Hartford Award for Research and Practice](#)

What: Provides support for OHSU faculty research and practice change projects that are interprofessional and focused on team science and aimed at improving the health and health care of older adults through innovations in care; [view guidelines here](#)

Who should apply: All OHSU faculty including those with appointments at the Schools of Dentistry, Medicine, Public Health, and Nursing, and the College of Pharmacy who have completed a clinical or research doctorate; if the PI holds a primary appointment outside of the SON, there must be a Co-I from the SON, and an interprofessional research team is required

Award: Up to \$25,000/one year

Deadline: April 24, 2023, 5 p.m. PT

Submit all inquiries and completed applications to [Marilyn Sanguinetti](mailto:Marilyn.Sanguinetti@ohsu.edu)

Public Health || OHSU-PSU [School of Public Health Kickstarter Awards](#)

What: Funding to support pre-award activities that advance the preparation of high-quality grant or contract applications or support student-led research

Who should apply: OHSU and PSU faculty with primary appointment in OHSU-PSU School of Public Health who have an extramural RFA or other opportunity identified or students in OHSU-PSU School of Public Health

Award: Between \$500 and \$5,000/up to six

months

Deadline: Accepted on a rolling basis through June 1, 2023

[Apply through the CAP](#)

Multidisciplinary || OCTRI [Mobile Apps for Clinical Studies \(MACS\)](#)

What: Funding to leverage MyCap to create mobile apps that allow clinical study participants to report data via a smartphone

Who should apply: PIs who want to create a mobile app for clinical or commercial purposes

Award: Up to \$5,000/typically one year

Deadline: Rolling; application will close when funding for the fiscal year is exhausted

[Submit project intake form through REDCap](#)

Multidisciplinary || OHSU [Fellowship for Diversity in Research](#)

What: Funds researchers with the goal of increasing the diversity of the community of scholars devoted to academic scientific research at OHSU

Who should apply: Investigators with postdoctoral training experience looking to establish an independent academic research career; scholars who identify as underrepresented minorities, differently-abled and more are welcomed

Award: Up to \$8,000 plus a stipend

Deadline: Applications accepted anytime

Multidisciplinary || OHSU School of Medicine [Exploratory Research Seed Grants](#)

What: Supports investigators who need to

work with an OHSU core or with the Pacific Northwest National Laboratory (PNNL) to develop preliminary data for an application for extramural research support

Who should apply: School of Medicine faculty in the professorial series who have not received this award within the last year

Award: Up to \$5,000/one year

Deadline: Applications accepted anytime

[Apply through the CAP](#)

Limited Submission Opportunities

Cancer || V Foundation [Translational and V Scholar Women Scientists Innovation Award for Cancer Research](#)

What: Two programs to support women cancer researchers; Translational Awards support cancer research that moves a novel strategy from the laboratory into a human clinical trial or uses specimens from a clinical trial to develop biomarkers or mechanisms; V Scholar Awards support projects cancer research that is focused on laboratory research that increases our understanding of cancer biology or translational type research that improves cancer detection, prevention, treatment, and survivorship

Who should apply: Women cancer researchers; eligibility requirements for each award are different and detailed, so [see CAP listing for more details](#)

Award: *For Translational:* Up to \$800,000/up to four years; *For V Scholar:* Up to \$600,000/up to three years

Deadline: Internal submission due: Jan. 27, 2023; Nomination due: Feb. 15, 2023, 2 p.m. PT; Application due: March 16, 2023, 2 p.m. PT

[Apply through the CAP](#)

This organization is on the [President's List](#); submit a [notice of intent form](#) before applying

Deadline extended

Cancer || Cancer Research Institute [Irvington Postdoctoral Fellowship Program](#)

What: Supports young immunologists and cancer immunologists by continuing their training under the guidance of a world-renowned immunologist who mentors the fellow and prepares them for a productive and successful career in cancer immunology

Who should apply: Postdocs working in immunology or cancer immunology who have less than five years of relevant postdoc experience

Award: \$186,000/three years

Deadline: Internal submission: Jan. 31, 2023;

Application due: March 1, 2023, 2 p.m. PT

[Apply through the CAP](#)

Multidisciplinary || Samuel Waxman Cancer Research Foundation and The Mark Foundation [Aging & Cancer Research](#)

What: Supports collaborative projects focused on aging and cancer; projects must include collaborations between two laboratories from two different institutions with different but complementary expertise

Who should apply: Teams consisting of two

principal investigators from two different institutions

Award: Up to \$500,000 total (\$250,000 to each PI)/up to three years

Deadline: *Internal submission due: Feb. 2, 2023; LOI due: March 1, 2023; Application due: June 1, 2023, 5 p.m. PT*

[Apply through the CAP](#)

This organization is on the [President's List](#); submit a [notice of intent form](#) before applying

Multidisciplinary || Association of American Medical Colleges [Herbert W. Nickens Faculty Fellowship](#)

What: Supports junior faculty members who demonstrate leadership potential in addressing inequity in medical education and health care

Who should apply: Full-time assistant professors who have held their position from no earlier than July 1, 2020 and have received only one appointment as assistant professor; [further eligibility info in guidelines](#)

Award: \$25,000/one year

Deadline: *Internal submission due: Feb. 7, 2023; Application due: April 7, 2023, 8:59 p.m. PT*

[Apply through the CAP](#)

Multidisciplinary || NIAMS [Skin Biology and Diseases Resource-based Centers](#) and [Resource-based Centers for Bone, Muscle and Orthopaedic Research](#) (P30 - Clinical Trial Not Allowed)

What: Funding to establish resource-based

centers that will provide critical research infrastructure, shared facilities, services and resources to groups of investigators conducting research on skin biology and diseases or bone, muscle, and orthopedic biology and diseases

Who should apply: Anyone with a research interest in skin biology and diseases or bone, muscle, and orthopedic biology and diseases and a desire to direct a resource center

Award: Up to \$2.5 million/up to five years

Deadline: *Internal submission due: Feb. 20, 2023; LOI due: April 18, 2023; Application due: May 18, 2023, 5 p.m. PT*

[Apply through the CAP](#)

Multidisciplinary || NIAID [Autoimmunity Centers of Excellence, Basic Research Program \(U19 Clinical Trial Not Allowed\)](#) and [Autoimmunity Centers of Excellence, Clinical Research Program \(UM1 Clinical Trial Required\)](#)

What: Supports a cooperative network intended to improve the understanding, prevention, and treatment of autoimmune diseases through FOAs for the basic research program and the clinical research program

Who should apply: Individuals may serve as PI on an application to either the basic ACE program FOA or the clinical ACE program FOA, but not both; individuals may serve as Project Leader or in another role (non-PI) on applications to both FOAs

Award: Up to \$3.5 million/up to five years

Deadline: *Internal submission due: Feb. 23,*

2023; LOI due: April 19, 2023; Application due: May 19, 2023, 5 p.m. PT

[Apply through the CAP](#)

New this week!

Neuroscience || NIA [Alzheimer's Disease Research Centers \(P30 Clinical Trial Not Allowed\)](#)

What: Funding to establish centers that will research the nature of Alzheimer's disease and AD-related dementias and the development of more effective approaches to prevention, diagnosis, care, and therapy

Who should apply: Anyone with a research interest in prevention, diagnosis, care, and therapy for Alzheimer's and related dementias

Award: Up to \$14.625 million/up to five years
Deadline: *Internal submission due: March 14, 2023; LOI due: May 14, 2023; Application due: June 14, 2023, 5 p.m. PT*

[Apply through the CAP](#)

Merit Prizes and Awards

Mental Health || American Psychiatric Association Foundation [Awards for Advancing Minority Mental Health](#)

What: Awards programs that raise awareness of mental illness in underserved minority communities, the need for early recognition, the availability of treatment and how to access it, and the cultural barriers to treatment

Who should apply: Mental health and wellness organizations that have been in

operation for at least two years

Award: \$5,000

Deadline: Feb. 6, 2023

Deadline extended

Multidisciplinary || NOSTER & Science

[Microbiome Prize](#)

What: Honors innovative research by young investigators working on the functional attributes of the microbiota of any organism that has potential to contribute to our understanding of human or veterinary health and disease or to guide therapeutic interventions

Who should apply: Early career scientists who hold an MD, PhD, or combination at the time of entry and have received their degree in the last 10 years; submitted work must have been completed in the past three years

Award: \$25,000

Deadline: Feb. 7, 2023

Multidisciplinary || Association of American Medical Colleges [Herbert W. Nickens Award](#)

What: Honors an individual who has made outstanding contributions to promoting justice in medical education and health care equity in the United States

Who should apply: Researchers who have made exemplary contributions to promoting diversity, equity, and inclusion, with a focus on promoting social justice and health equity in the health professions

Award: \$10,000

Deadline: March 17, 2023, 8:59 p.m. PT

COVID-19 Opportunities

Due to the decline in new funding opportunities related to COVID-19, we are transitioning the separate COVID-19 Funding Alerts to this space. You can still [view the archive of COVID-19 Funding Alerts](#), and a [list of still-open opportunities](#) will be updated weekly.

Multidisciplinary || NIAMS [Notice of Special Interest \(NOSI\): Promoting Research on COVID-19 and Rheumatic, Musculoskeletal and Skin Diseases](#)

What: Supports research on the impact of COVID-19 as related to diseases and conditions within the NIAMS mission

Who should apply: Anyone with a research interest in COVID-19 and arthritis and musculoskeletal and skin diseases

Award: Dependent upon FOA you apply through

Deadline: Running from Feb. 5, 2023 through Jan. 8, 2024

Multidisciplinary || Pfizer [Knowledge Gaps in Managing High-Risk Patients and COVID-19](#)

What: Supports educational programs for both physicians and advanced practice providers that address knowledge gaps in identifying patients with high-risk conditions for developing severe COVID-19 outcomes, including hospitalization or death

Who should apply: Healthcare providers with a research interest in high-risk patients and COVID outcomes

Award: Up to \$200,000/up to one year

Deadline: Feb. 18, 2023, 8:59 p.m. PT

Multidisciplinary || Multiple NIH Organizations [Notice of Special Interest \(NOSI\): Research Supplements to Promote Data Science Workforce Diversity to Reveal Scientific Insights of COVID-19 Testing Technologies \(Admin Supp Clinical Trial Not Allowed\)](#)

What: Supplements to enhance the diversity of the data science workforce to address questions and scientific inquiry related to SARS-CoV-2 through existing data resources in the Rapid Acceleration of Diagnostics Data Hub ([RADx Data Hub](#)), including and in conjunction with other data resources

Who should apply: PIs with existing RADx parent projects

Award: Up to \$150,000/up to one year

Deadline: Feb. 20, 2023, 5 p.m. PT

Multidisciplinary || Multiple NIH Organizations [Notice of Special Interest \(NOSI\): Advance Data Science Approaches Through Secondary Data Analysis to Reveal Scientific Insights of COVID-19 Testing Technologies \(R21\)](#)

What: Supplements to support secondary data analysis to address questions and advance scientific inquiry related to SARS-CoV-2 through the existing data resources in the

Rapid Acceleration of Diagnostics Data Hub ([RADx DataHub](#)), including and in conjunction with other data resources

Who should apply: PIs interested in the Rapid Acceleration of Diagnostics Data Hub

Award: Up to \$275,000/up to two years

Deadline: May 31, 2023, 5 p.m. PT

NIH Federal Opportunities

This week the NIH released funding opportunities concerning [human development, HIV, and nonhuman primate research](#). We've highlighted some opportunities of potential interest below.

Multidisciplinary || NIAID Physician-Scientist Pathway to Independence Award ([K99/R00 Clinical Trial Required](#)) and ([K99/R00 Independent Clinical Trial Not Allowed](#))

What: Provides independent NIAID research support during this transition to help awardees launch competitive, independent research careers in biomedical fields and thereby help to address the national physician-scientist workforce shortage

Who should apply: Candidates for the award must have a clinical doctorate degree who devote the majority of their time to biomedical research; extensive eligibility info in both FOAs, so be sure to review

Award: Salary and other program-related expenses/up to four years

Deadline: Feb. 12, 2023, 5 p.m. PT

Multidisciplinary || Multiple NIH

Organizations [Planning for the TMD Collaborative for IMproving PATient-Centered Translational Research \(TMD IMPACT\) \(R34 Clinical Trial Not Allowed\)](#)

What: Supports planning grant applications that conceptualize the design and implementation of a future national, interdisciplinary, patient-centered research collaborative that will advance temporomandibular disorders basic and clinical research, research training, and translation to evidence-based treatments and improved clinical care

Who should apply: Anyone with a research interest in temporomandibular disorders

Award: Up to \$200,000/up to one year

Deadline: *LOI due: March 14, 2023 (LOI not required but highly encouraged); Application due: April 14, 2023, 5 p.m. PT*

Administrative Supplements

Cancer || NCI [Notice of Special Interest \(NOSI\): Administrative Supplement to Support Global Cancer Stigma Research](#)

Multidisciplinary || NHLBI [Notice of Special Interest \(NOSI\): Administrative Supplements to Support Programs for Inclusion and Diversity Among Individuals Engaged in Health-Related Research \(PRIDE\) Small Research Projects \(SRPs\)](#)

Requests for Information

Cancer || NCI [Request for Information \(RFI\): Cancer Therapeutic Clinical Trials in Low- and Middle-Income Countries](#)

Private Opportunities

Cardiology || American Heart Association [Assessing Race in Clinical Research Models](#)

What: Supports the study of risk prediction models and algorithms in the field of cardiovascular and stroke science that have been adjusted for race, and reevaluating based on potential downstream inequities in disease outcomes and treatments

Who should apply: Early-trainees such as pre-docs, post-docs, and fellows

Award: Up to \$50,000/one year

Deadline: *Pre-proposal due: Jan. 23, 2023; Full proposal due: March 6, 2023*

Cardiology || American Heart Association [Migraine as a Risk Factor for Stroke and Cardiovascular Disease](#)

What: Supports the use of databases with information on migraine and cardiovascular disease in combination with data science approaches to assess migraine as a risk factor for cardiac disease and stroke

Who should apply: Projects can include collaborators from multiple areas of expertise; however, the project proposal must be submitted by a project lead representing an

academic or non-profit organization based in the United States

Award: Up to \$300,000/two years

Deadline: *Pre-proposal due: Jan. 23, 2023; Full proposal due: March 6, 2023*

Neuroscience || Alzheimer's Drug Discovery Foundation [Treat FTD Fund](#)

What: Supports early-stage frontotemporal dementia clinical trials that will build on emerging scientific understanding of biological mechanisms underlying FTD, stimulate the field to develop new therapies for FTD disorders, and advance the development, validation, and adoption of biomarkers

Who should apply: Anyone with a research interest in frontotemporal dementia

Award: Up to \$5 million/not specified

Deadline: *LOI due: Jan. 27, 2023; Applications due: March 17, 2023*

This organization is on the [President's List](#); submit a [notice of intent form](#) before applying

Multidisciplinary || American Psychological Foundation [Alice F. Chang Cancer Wellness Grant](#)

What: Supports research and research-based projects to improve the lives of cancer patients and/or cancer survivors through psychology

Who should apply: Graduate students enrolled in accredited master's or doctoral programs; applicants from Arizona and New Mexico encouraged to apply

Award: Up to \$11,000/not specified

Deadline: Feb. 1, 2023

Ophthalmology || Foundation Fighting Blindness [Career Development Program](#)

What: Supports junior clinical research scientists in their endeavors to cure retinal degenerative disease by facilitating advances in laboratory and clinical research, elucidating the mechanism for the cause and pathogenesis of retinal degenerative diseases, and developing innovative strategies to prevent, treat, and cure these diseases

Who should apply: Clinician-scientists with an MD, DO, OD, or recognized equivalent foreign degree who are in their first, second, or third year of a junior faculty appointment

Award: Up to \$375,000/five years

Deadline: Feb. 1, 2023

Cancer || Jane Coffin Childs Memorial Fund for Medical Research [Postdoctoral Fellowship](#)

What: Supports postdoctoral scientists conducting basic cancer-related research

Who should apply: Investigators who have no more than eighteen months of postdoctoral research experience, whose PhD degree was not conferred more than twenty-four months prior and whose MD was not conferred more than three years before the deadline; [further eligibility info on website](#)

Award: Up to \$177,000/up to three years

Deadline: Feb. 1, 2023, 9 a.m. PT

HIV/AIDS || PATH [MATRIX Technology Accelerator Domain 1](#)

What: Supports research for the development

of new HIV prevention drugs and strategies, multipurpose prevention technologies, and technologies that enable HIV prevention strategy development and have the potential to strengthen capacity in targeted countries

Who should apply: Established researchers, research consortia, students, postdoctoral fellows, and new investigators establishing laboratories and/or seeking tenure from the United States, Kenya, South Africa, and Zimbabwe

Award: Up to \$150,000/up to 18 months

Deadline: *LOI due: Feb. 1, 2023, 8 a.m. PT; Full proposal due: March 3, 2023, 8 a.m. PT*

Cancer || Pfizer [Relapsed/Refractory Multiple Myeloma](#)

What: Supports research focused on increasing healthcare professional understanding of BCMA-directed therapies (BCMAxCD3 bi-specifics; BCMA-ADC; BCMA – CAR-T cells) in relapsed/refractory multiple myeloma

Who should apply: Hematologists/Oncologists and other healthcare professionals involved in the care of people with multiple myeloma

Award: Up to \$250,000/up to two years

Deadline: Feb. 1, 2023 for urgent proposals that include symposia held at fast-approaching congresses, or March 1, 2023 for all other proposals, 8:59 p.m. PT

Cancer || Sarcoma Foundation of America [2023 Research Grants](#)

What: Supports pre-clinical, translational and

clinical research on the etiology, molecular biology, pathogenesis, diagnosis and treatment of human sarcomas

Who should apply: Applicants must be an MD, DO, PhD, or international equivalent with the skills, knowledge, and resources necessary to carry out the proposed sarcoma research

Award: Up to \$50,000/up to one year

Deadline: Feb. 1, 2023, 2 p.m. PT

Multidisciplinary || Motorola Solutions Foundation [Grants](#)

What: Supports organizations prioritizing underrepresented and underserved populations within three focus areas: technology and engineering education, first responder programming, and blended first responder and technology/engineering education programs

Who should apply: Organizations that meet the above criteria; the foundation prioritizes programs in the Baltimore area, Boston, Chicagoland, the Dallas area, Salt Lake City, South Florida, Southern California, Vancouver, British Columbia, and Westminster, Colorado

Award: Up to \$50,000/not specified

Deadline: Feb. 2, 2023

Nursing || National League for Nursing [Nursing Education Research Grants](#)

What: Supports research with the potential to contribute to the development of the science of nursing education

Who should apply: PIs who are National League for Nursing members either

individually or through their school

Award: Up to \$30,000/up to two years

Deadline: Feb. 2, 2023

Multidisciplinary || Global Learning for Health Equity at the University of Maryland, Baltimore Network [Planning Grants](#)

What: Supports planning grants to help community-based organizations and health equity advocates learn about creative approaches, initiatives, or policies from countries around the world that can inform their efforts to advance health equity in the U.S.

Who should apply: Community based organizations, public health departments, academic programs, and other groups

Award: Up to \$50,000/not specified

Deadline: Feb. 2, 2023

Neuroscience || Alzheimer's Drug Discovery Foundation [Therapeutics Funding Programs](#)

What: Supports research that advances therapeutic and biomarker development for Alzheimer's and related dementias through four mechanisms including drug development, prevention, and neuroimaging and CSF biomarkers

Who should apply: Anyone with a research interest in Alzheimer's and related dementia drug development

Award: Between \$600,000 and \$5 million/between one and multiple years

Deadline: LOI due: Feb. 3, 2023, 2 p.m. PT;

Applications due: April 7, 2023, 2 p.m. PT

This organization is on the [President's List](#); submit a [notice of intent form](#) before applying

Multidisciplinary || Patient-Centered Outcomes Research Institute [Implementation Funding](#)

What: Funding for patient-centered outcomes research through three different opportunities studying these topics: findings from PCORI's research investments, shared decision making in practice settings, and a limited competition for phased or standard or projects

Who should apply: Dependent upon funding opportunity

Award: Between \$500,000 and \$21 million/between two and six years

Deadline: LOI due: Feb. 7, 2023, 2 p.m. PT; Full application due: May 2, 2023, 2 p.m. PT

Multidisciplinary || Patient-Centered Outcomes Research Institute [Research Funding](#)

What: Funding for patient-centered outcomes research through six different opportunities in these areas: adolescent alcohol use; improving maternal outcomes by addressing health conditions and social determinants of health; delirium in older adults; science of engagement; broad pragmatic studies; and methods for conducting patient-centered outcomes research

Who should apply: Dependent upon funding opportunity

Award: Between \$300,000 and \$3 million/between three and five years

Deadline: *LOI due: Feb. 7, 2023, 2 p.m. PT; Full application due: May 2, 2023, 2 p.m. PT*

Infectious Disease || Global Institute for Disease Elimination [Falcon Awards for Disease Elimination: The Climate Edit](#)

What: Supports research regarding the intersection of disease elimination and climate and contribute to local understanding of climate and health issues

Who should apply: Among other organization types, national or regional academic or research institutions with demonstrated experience relevant to the intersection of infectious disease and climate change

Award: Up to \$50,000/up to six months

Deadline: Feb. 12, 2023

Nephrology || National Kidney Foundation [Young Investigator Research Grant](#)

What: Supports clinical research studies that address important issues for patients with kidney disease and are patient-oriented

Who should apply: Full-time faculty and staff scientists within the first four years of their initial appointment who have completed training in nephrology prior start date

Award: Up to \$35,000/one year

Deadline: Feb. 13, 2023

Psychology || American Psychological Foundation [Dr. Christine Blasey-Ford Grant](#)

What: Supports research focused on the understanding, prevention and treatment of the consequences of exposure to traumatic

events such as sexual assault, sexual harassment and rape

Who should apply: Graduate students and early-career psychologists (who are at the doctoral level and no more than 10 years postdoctoral) who have a demonstrated knowledge of trauma and trauma research

Award: Up to \$1,900/not specified

Deadline: Feb. 15, 2022

Psychology || American Psychological Foundation [Trauma Psychology Grant](#)

What: Supports innovative work aimed at alleviating trauma

Who should apply: Early-career psychologists at the doctoral level who are no more than 10 years postdoctoral

Award: Up to \$3,200/not specified

Deadline: Feb. 15, 2023

Surgery || American Society of Transplant Surgeons [Research Grants](#)

What: Six research grants supporting transplantation research through mechanisms such as faculty development grants, collaborative scientist grants, and student mentor grants

Who should apply: Dependent upon funding mechanism

Award: Between \$5,000 and \$100,000/between one and two years

Deadline: Feb. 15, 2023

Multidisciplinary || NATA Research & Education Foundation [Research Grant](#)

[Programs](#)

What: Supports research in topic areas relevant to athletic training through professional, doctoral student, and masters student programs

Who should apply: Dependent upon program

Award: Between \$1,000 and \$50,000/between one and three years

Deadline: Feb. 15, 2023

Neuroscience || New York Stem Cell Foundation [NYSCF – Robertson Stem Cell Investigator Awards](#)

What: Supports highly innovative, emerging scientists whose pioneering approaches can transform the field of stem cell research and advance the understanding and use of stem cells in developing treatments for human disease

Who should apply: Early-career investigators who will be within six years of starting a faculty or comparable position on June 1, 2023;

[additional eligibility info in program announcement](#)

Award: Up to \$1.5 million/up to five years

Deadline: Feb. 15, 2023, 2 p.m. PT

This organization is on the [President's List](#); submit a [notice of intent form](#) before applying

Cardiology || American Heart Association [Transformational Project Award](#)

What: Supports projects that build on work in progress that could ultimately lead to critical discoveries or major advancements that will accelerate the field of cardiovascular and/or

cerebrovascular research

Who should apply: Applicants must have a faculty/staff position above the rank of trainee/postdoctoral fellow at a qualified institution and must demonstrate that adequate time will be devoted to ensuring the successful completion of the proposed project

Award: Up to \$300,000/three years

Deadline: Feb. 16, 2023

Multidisciplinary || Human Animal Bond Research Institute [Addressing Evidence-Based Health Benefits of Human-Animal Interaction](#)

What: Supports research on the health outcomes of pet ownership and/or animal-assisted activity or therapy, both for people and the animals involved

Who should apply: Anyone with a research interest in the health benefits of human-animal interaction

Award: Up to \$45,000/approximately 20 months

Deadline: Feb. 16, 2023, 8:59 p.m. PT

Orthopedics || Orthopaedic Research and Education Foundation [Open Funding Opportunities](#)

What: Four research grants supporting orthopedic research through mechanisms such as a musculoskeletal injuries grant, knee osteoarthritis grant, and pain management research grant

Who should apply: Dependent upon funding mechanism

Award: Between \$50,000 and \$1.5

million/between one and two years

Deadline: Feb. 21 or 28, 2023, 9 a.m. PT

Audiology || Hearing Health Foundation [Emerging Research Grants](#)

What: Supports research on a variety of hearing-related topics such as age-related hearing loss, auditory and vestibular implants, hearing aids and more

Who should apply: Faculty, postdoctoral fellows and clinical/research fellows studying hearing as well as current medical residents in otolaryngology

Award: Up to \$50,000/up to one year

Deadline: Feb. 25, 2022

Gastroenterology || Pfizer [Advances in the Management of Ulcerative Colitis \(UC\)](#)

What: Supports education for healthcare professionals involved in diagnosis, treatment, and management of patients with ulcerative colitis

Who should apply: Gastroenterologists, internal medicine specialists, primary care physicians, nurses and other health care professionals

Award: Up to \$250,000/up to 18 months

Deadline: March 1, 2023, 8:59 p.m. PT

Neuroscience || Cystic Fibrosis Foundation [March Grants](#)

What: Seven research grants supporting cystic fibrosis research through mechanisms such as health equity grants, multiple principal investigator clinical grants, and clinical pilot

and feasibility grants

Who should apply: Dependent upon funding mechanism

Award: Between \$124,000 and \$1 million/between two and four years

Deadline: Deadlines start March 7 and run through March 29, 2023

Gastroenterology || Pfizer [Inflammatory Bowel Disease \(IBD\) Fellowship](#)

What: Supports fellowship programs at institutions with clinical training programs in regions where there are continued workforce challenges and that have a strong focus on clinical practice, research, and education to further the understanding of IBD

Who should apply: Institutions with fellowship programs that include independent research and a strong mentoring program

Award: Up to \$80,000/up to one year

Deadline: March 7, 2023, 8:59 p.m. PT

Neuroscience || Simons Foundation (SFARI) [Neuroscience Collaborations Vision Statements Call](#)

What: Call for vision statements to identify new, emerging breakthrough areas of neuroscience that are poised for high-impact funding by the Simons Foundation

Who should apply: Investigators must hold a PhD, MD, or equivalent degree and have a faculty position or the equivalent at a college, university, medical school or other research facility and have independent research space at their institution

Award: Up to \$60 million/up to 10 years
Deadline: March 8, 2023, 9 a.m. PT
This organization is on the [President's List](#); submit a [notice of intent form](#) before applying

Multidisciplinary || Robert Wood Johnson Foundation [Health Policy Research Scholars](#)

What: National leadership development program for full-time doctoral students who want to improve health, well-being, and equity; challenge long-standing, entrenched systems; exhibit new ways of working; and collaborate across disciplines and sectors
Who should apply: Full-time, second-year doctoral students who are from populations underrepresented in specific doctoral disciplines and/or historically marginalized backgrounds; [additional eligibility info in program announcement](#)

Award: Up to \$120,000/up to four years
Deadline: March 15, 2023, noon PT
This organization is on the [President's List](#); submit a [notice of intent form](#) before applying

Cardiology || American Heart Association [Second Century Early Faculty Independence Award](#)

What: Supports promising cardiology investigators in the early years of their first professional appointment as they address one of several possible areas of critical, emerging priority such as technology-driven health care and diagnostics, emerging therapeutics, environmental impacts on health
Who should apply: Applicants can be up to

and including assistant professor or equivalent and postdoctoral fellows are eligible to apply but must have attained a faculty appointment by the time of award activation (July 1, 2023); [more eligibility info in program announcement](#)
Award: Up to \$300,000/three years
Deadline: *Pre-proposal due:* April 4, 2023; *Full proposal due:* May 9, 2023
