

OHSU Funding Alerts: Week of March 16, 2023

OHSU Funding Opportunities

Multidisciplinary || MRF [Early Clinical Investigator Grant](#)

What: Funding to further the development postdoctoral fellows or trainees who interact with human subjects and who are interested in a career in clinical or translational research; [see guidelines for more info](#)

Who should apply: Postdoctoral trainees and fellows with specific plans for a career in clinical research

Award: Up to \$30,000/one year

Deadline: April 17, 2023, 11:59 p.m. PT

[Apply through the CAP](#)

Multidisciplinary || MRF [Emergency Interim Support and OHSU Presidential Bridge Funding](#)

What: Provides funding for research programs that have lost national grant funding and enables investigators to develop data supporting application renewals; OHSU applicants can apply for both MRF Emergency Interim Support and OHSU Bridge Funding; see [EIS](#) and [Bridge](#) guidelines for more info

Who should apply: Researchers who need funding to keep their programs going

Award: Up to \$50,000 from each MRF and Bridge funding/one year

Deadline: April 17, 2023, 11:59 p.m. PT

[Apply through the CAP](#)

Multidisciplinary || MRF [New Investigator Grant](#)

What: Supports promising investigators in biomedical research starting their independent careers; [see guidelines for more info](#)

Who should apply: Assistant professors or equivalent who are independent but new to research and don't yet have funding sources

Award: Up to \$50,000/one year

Deadline: April 17, 2023, 11:59 p.m. PT

[Apply through the CAP](#)

Multidisciplinary || OHSU School of Medicine [Gerlinger Research Award](#)

What: Supports research by primary faculty in the School of Medicine with strong preference given to research addressing systemic autoimmune or connective tissue diseases

Who should apply: Primary faculty in the School of Medicine

Award: Up to \$40,000/one year

Deadline: April 17, 2023, 11:59 p.m. PT

[Apply through the CAP](#)

Multidisciplinary || OCTRI [OSLER TL1 Program](#)

What: Supports training and career development in clinical and translational research for professional and PhD graduate students and postdoctoral clinical and research fellows; all research proposed must involve either clinical or translational research that

involves human subjects or populations or research that has application to human health

Who should apply: Predoctoral and postdoctoral trainees at OHSU, PSU, UO or OSU who are citizens or non-citizen nationals of the United States, or have been lawfully admitted to the United States for permanent residence and have in their possession an Alien Registration Receipt Certificate (I-151 or I-551) or other legal verification of admission for permanent residence; [further info in RFA](#)
Award: *Predocotrual stipend:* \$27,144; *Postdoctoral stipend:* Set by NIH and based on years of training completed (additional tuition, fee and insurance coverage provided for both)/up to one year with possibility for renewal for PhD graduate students and postdoctoral trainees

Deadline: April 24, 2023, 5 p.m. PT

[Apply through REDCap](#)

Nursing || OHSU School of Nursing Hartford Center of Gerontological Excellence [Hartford Award for Research and Practice](#)

What: Provides support for SON faculty research and practice change projects aimed at improving the health and health care of older adults through innovations in care; [view guidelines here](#)

Who should apply: All OHSU School of Nursing faculty who have a clinical or research doctorate, especially early-career investigators

Award: Up to \$25,000/one year

Deadline: April 24, 2023, 5 p.m. PT

Submit all inquiries to [Marilyn Sanguinetti](#)

and submit completed applications to [Marilyn Sanguinetti](mailto:Marilyn.Sanguinetti@ohsu.edu) with a copy to SNORDS@ohsu.edu

Multidisciplinary || OHSU School of Nursing
Hartford Center of Gerontological Excellence
[Interprofessional Hartford Award for Research and Practice](#)

What: Provides support for OHSU faculty research and practice change projects that are interprofessional and focused on team science and aimed at improving the health and health care of older adults through innovations in care; [view guidelines here](#)

Who should apply: All OHSU faculty including those with appointments at the Schools of Dentistry, Medicine, Public Health, and Nursing, and the College of Pharmacy who have completed a clinical or research doctorate; if the PI holds a primary appointment outside of the SON, there must be a Co-I from the SON, and an interprofessional research team is required

Award: Up to \$25,000/one year

Deadline: April 24, 2023, 5 p.m. PT

Submit all inquiries and completed applications to [Marilyn Sanguinetti](mailto:Marilyn.Sanguinetti@ohsu.edu)

Multidisciplinary || OHSU Division of
Pulmonary & Critical Care Medicine
[Multidisciplinary Research Training in Pulmonary Medicine \(NHLBI T32\)](#)

What: Multidisciplinary research training for predoctoral and postdoctoral trainees conducting research related to pulmonary

medicine

Who should apply: Any U.S. citizen, national, or permanent resident trainee whose research and career trajectory are relevant to the biology and health care practices that relate to respiratory, critical care, and sleep medicine; predoctoral candidates must have passed qualifying exams

Award: [Stipend support](#)/up to two years

How to apply: Application packets must include: NIH-formatted biosketch; career vision statement – comment on how this training opportunity would fit into overall trajectory in relation to pulmonary medicine (2-3 paragraphs); research proposal/experimental plan (1-2 pages); project narrative (2-3 sentences describing the relevance of the research to public health); biosketch and letter of support from mentor

Deadline: April 28, 2023

[Send questions and application to Samantha Ruimy](#)

Trauma || Trunkey Center [Research and Innovation Awards](#)

What: Supports progress on clearly articulated, early-phase trauma research and innovation projects by providing opportunities for pilot testing, preliminary data collection, prototype development, feasibility or needs assessments or similar activities

Who should apply: Teams of faculty, staff, and students/residents either from or outside OHSU; each project team must include at least one OHSU member who serves at PI or Co-PI

Award: Between \$5,000 and \$20,000/up to two years

Deadline: May 1, 2023, midnight PT

[Apply through the CAP](#)

Public Health || OHSU-PSU [School of Public Health Kickstarter Awards](#)

What: Funding to support pre-award activities that advance the preparation of high-quality grant or contract applications or support student-led research

Who should apply: OHSU and PSU faculty with primary appointment in OHSU-PSU School of Public Health who have an extramural RFA or other opportunity identified or students in OHSU-PSU School of Public Health

Award: Between \$500 and \$5,000/up to six months

Deadline: Accepted on a rolling basis through June 1, 2023

[Apply through the CAP](#)

New this week!

Public Health || OHSU-PSU School of Public Health [Catalyst Awards](#)

What: Funding to promote progress on clearly articulated, early-phase research agendas by providing opportunities for pilot testing, preliminary data collection, feasibility or needs assessments, or similar activities

Who should apply: OHSU and PSU faculty with primary appointment in OHSU-PSU School of Public Health; special consideration given to research focused on health equity, social justice, social determinants of health, and

health disparities, applicants who either meet definitions of New Investigator or Early-Stage Investigator, as defined by the NIH, and mid- or later career applicants developing a new research direction

Award: \$5,000 to \$25,000/up to one year

Deadline: June 2, 2023

[Apply through the CAP](#)

Multidisciplinary || OCTRI [Mobile Apps for Clinical Studies \(MACS\)](#)

What: Funding to leverage MyCap to create mobile apps that allow clinical study participants to report data via a smartphone

Who should apply: PIs who want to create a mobile app for clinical or commercial purposes

Award: Up to \$5,000/typically one year

Deadline: Rolling; application will close when funding for the fiscal year is exhausted

[Submit project intake form through REDCap](#)

Multidisciplinary || OHSU [Fellowship for Diversity in Research](#)

What: Funds researchers with the goal of increasing the diversity of the community of scholars devoted to academic scientific research at OHSU

Who should apply: Investigators with postdoctoral training experience looking to establish an independent academic research career; scholars who identify as underrepresented minorities, differently-abled and more are welcomed

Award: Up to \$8,000 plus a stipend

Deadline: Applications accepted anytime

Multidisciplinary || OHSU School of Medicine [Exploratory Research Seed Grants](#)

What: Supports investigators who need to work with an OHSU core or with the Pacific Northwest National Laboratory (PNNL) to develop preliminary data for an application for extramural research support

Who should apply: School of Medicine faculty in the professorial series who have not received this award within the last year

Award: Up to \$5,000/one year

Deadline: Applications accepted anytime

[Apply through the CAP](#)

Limited Submission Opportunities

Multidisciplinary || NIAID [Consortium for Food Allergy Research: Clinical Research Center \(U01 Clinical Trial Required\)](#) and [Consortium for Food Allergy Research: Leadership Center \(UM1 Clinical Trial Required\)](#)

What: Supports centers with the goals to advance prevention and management strategies and to improve knowledge on the origins and the pathophysiology of IgE-mediated food allergy, Alpha-Gal Syndrome, Food Protein-induced Enterocolitis Syndrome and Eosinophilic Esophagitis

Who should apply: Anyone with a research interest in food allergy research centers

Award: Up to \$7.3 million for Leadership Center and up to \$400,000 for Clinical

Research Centers/up to seven years

Deadline: *Internal submission due: March 16, 2023; LOI due: May 9, 2023; Application due:*

June 9, 2023, 5 p.m. PT

[Apply through the CAP](#)

Multidisciplinary || The Pew Charitable Trusts [2024 Scholars Program](#)

What: Two programs are combined in this competition: the Pew Scholars Program in the Biomedical Sciences and the Pew-Stewart Scholars for Cancer Research Program; both are intended for early-career research with an emphasis on interdisciplinary projects

Who should apply: Early-career assistant professors with a research interest in biomedical studies or cancer studies; further eligibility info for [Pew Biomedical](#) and [Pew-Stewart](#)

Award: \$300,000/four years

Deadline: *Internal submission due: March 20, 2023; Nomination due: May 17, 2023;*

Application due: Aug. 31, 2022 for Pew-

Stewart and Sept. 7, 2023 for Pew Biomedical

[Apply through the CAP](#)

PLEASE NOTE: DO NOT APPLY TO THIS OPPORTUNITY YET. The V Foundation has not released its RFA for this opportunity yet. All information here is based on last year's RFA and is subject to change. Deadlines and other information will be updated when the RFA is released. This is being posted early so, if this opportunity is of interest, you can plan ahead.

Cancer || V Foundation [Pediatric Translational and V Scholar Cancer Research Grant Program](#)

What: Two programs to support pediatric cancer research; Translational Awards support projects that move a novel strategy from the laboratory into a human clinical trial or use specimens from a clinical trial to develop biomarkers or mechanisms and V Scholar Awards support either laboratory-based discovery research or translational research

Who should apply: Pediatric cancer researchers; eligibility requirements for each award are different and detailed, so [see CAP listing for more details](#)

Award: *For Translational:* Up to \$600,000/up to three years; *For V Scholar:* Up to \$200,000/up to two years

Deadline: **DEADLINE WILL BE UPDATED WHEN RFA IS RELEASED.** *Internal submission due: March 27, 2023*

[Apply through the CAP](#)

This organization is on the [President's List](#); submit a [notice of intent form](#) IF YOU ARE CHOSEN AS A NOMINEE

New this week!

Multidisciplinary || Multiple NIH Organizations [Diagnostic Centers of Excellence \(X01 Clinical Trial Not Allowed\)](#)

What: Supports investigators with access to resources provided by the Data Management Coordinating Center for Diagnostic Centers of Excellence ([RFA-NS-22-051](#)), as part of the next phase of the Undiagnosed Diseases Network
Who should apply: Applications for the X01

DCoE award may be submitted by individuals located at the same institution as an applicant or PD/PI of the DMCC (submitted under [RFA-NS-22-051](#)), but an individual may not be the PD/PI of both a DCoE and the DMCC; an organization will not be awarded more than one DCoE that is active at the same time

Award: Funds not awarded/up to five years
Deadline: *Internal submission due: March 30, 2023; LOI due: April 15, 2023 (LOI not required but highly encouraged); Application due: May 15, 2023, 5 p.m. PT*
[Apply through the CAP](#)

Multidisciplinary || NIGMS and ORIP [High-End Instrumentation \(HEI\) Grant Program \(S10 Clinical Trial Not Allowed\)](#) and [Shared Instrumentation Grant \(SIG\) Program \(S10 Clinical Trial Not Allowed\)](#)

What: Supports groups of NIH-supported investigators to purchase or upgrade a single item of high-end, specialized, commercially available instruments or integrated systems
How to apply: OHSU is not limited in the number of applications we may submit, provided that the applications are for different types of equipment; however, internal review is required. You must submit a 1-3 page preliminary proposal that names a minimum of three major users who are PIs on active NIH research grants; [additional information on proposal in CAP](#)

Who should apply: PIs do not need to have an NIH research grant or any other research support but are expected to be an expert on

the requested instrument and may be a core director or tenured or non-tenured faculty member; multiple PIs are not allowed

Award: *For Shared Grants:* Between \$50,000 and \$600,000/one year; *For High-End Grants:* Between \$600,001 and \$2 million/one year
Deadline: *Internal submission due: April 3, 2023; Application due: June 1, 2023, 5 p.m. PT*
[Apply through the CAP](#)

PLEASE NOTE: DO NOT APPLY TO THIS OPPORTUNITY YET. The V Foundation has not released its RFA for this opportunity yet. All information here is based on last year's RFA and is subject to change. Deadlines and other information will be updated when the RFA is released. This is being posted early so, if this opportunity is of interest, you can plan ahead.

Cancer || V Foundation [V Scholar Cancer Research Grant](#)

What: Supports tenure-track faculty early in their cancer research career by funding projects that are either laboratory-based adult cancer fundamental or translational research

Who should apply: Tenure-track assistant professors who have at least two years postdoctoral (MD or PhD) fellowship training; [further eligibility info listed in CAP](#)

Award: Up to \$200,000/up to two years
Deadline: **DEADLINE WILL BE UPDATED WHEN RFA IS RELEASED.** *Internal submission due: April 12, 2023*
[Apply through the CAP](#)
This organization is on the [President's List](#);

submit a [notice of intent form](#) IF YOU ARE CHOSEN AS A NOMINEE

New this week!

Multidisciplinary || [NIGMS Coordination Center for the Models of Infectious Disease Agent Study \(MIDAS\) Program \(R24 Clinical Trial Not Allowed\)](#)

What: Provides investigators support for infectious disease modeling science by providing a hub for collaboration and dissemination of research products from the Models of Infectious Disease Agent Study investigator network

Who should apply: Each PI is required to dedicate at least two person-months to this effort; contact PI is required to dedicate at least three person-months to this effort

Award: Up to \$4.5 million/up to five years

Deadline: Internal submission: April 18, 2023;

Application due: June 15, 2023, 5 p.m. PT

[Apply through the CAP](#)

New this week!

HIV/AIDS || **Multiple NIH Organizations**
[Centers for AIDS Research \(P30 Clinical Trial Not Allowed\)](#) and [Developmental Centers for AIDS Research \(P30 Clinical Trial Not Allowed\)](#)

What: Centers providing administrative and shared research support to enhance HIV/AIDS research through core facilities, expertise, resources, and services not readily obtained otherwise through more traditional funding mechanisms

Who should apply: Anyone with an interest in

HIV/AIDS research through an NIH center

Award: For Centers: Up to \$16.25 million/up to five years; For Developmental Centers: Up to \$5 million/up to five years

Deadline: Internal submission due: May 2, 2023; LOI due: July 2, 2023 (LOI not required but highly encouraged); Application due: Aug. 2, 2023, 5 p.m. PT

[Apply through the CAP](#)

New this week!

Multidisciplinary || **NIDDK Postbaccalaureate Research Education Program in Diabetes, Endocrinology and Metabolic Diseases (R25 – Independent Clinical Trial not Allowed)**

What: Supports supporting creative educational activities with a primary focus on courses for skills development and research experiences to develop and implement Postbaccalaureate Research Education Programs in Diabetes, Endocrinology and Metabolic Diseases

Who should apply: Institutional eligibility for this FOA is limited to research-intensive institutions that have an average research base in DEM science of at least \$3 million per year over the past three years in direct costs of peer-reviewed research projects; [additional eligibility info in FOA](#)

Award: Up to \$1.5 million/up to four years

Deadline: Internal submission due: July 25, 2023; LOI due: Sept. 25, 2023 (LOI not required but highly encouraged); Application due: Oct. 25, 2023, 5 p.m. PT

[Apply through the CAP](#)

Merit Prizes and Awards

Multidisciplinary || **Association of American Medical Colleges [Herbert W. Nickens Award](#)**

What: Honors an individual who has made outstanding contributions to promoting justice in medical education and health care equity in the United States

Who should apply: Researchers who have made exemplary contributions to promoting diversity, equity, and inclusion, with a focus on promoting social justice and health equity in the health professions

Award: \$10,000

Deadline: March 17, 2023, 8:59 p.m. PT

Multidisciplinary || **Robert Wood Johnson Foundation [Culture of Health Prize](#)**

What: Honors the work of communities that foster health and wellbeing for all by addressing systemic inequities

Who should apply: Diverse, cross-sector partnerships that center people who are most impacted by local or regional health inequities; [see announcement for more information](#)

Award: \$250,000

Deadline: March 29, 2023, noon PT

This organization is on the [President's List](#); submit a [notice of intent form](#) before applying

Deadline updated

Neuroscience || **Science & PINS [Prize for Neuromodulation](#)**

What: Rewards innovative research that modulates neural activity through physical (electrical, magnetic, optical) stimulation of targeted sites in the nervous system with implications for translational medicine

Who should apply: Investigators younger than forty-five who have received their degree in the last 10 years; work submitted for consideration must have been performed in the past three years

Award: \$25,000

Deadline: March 29, 2023

Multidisciplinary || Breakthrough Prize Foundation [2024 Prizes in Fundamental Physics, Life Sciences, and Mathematics Breakthrough Prize Foundation](#)

What: Recognizes scientists with a background in fundamental physics, life sciences and mathematics; the life sciences prize specifically recognizes individuals who have made advances in understanding living systems and extending human life, and one life sciences prize is designated for work contributing to understanding Parkinson's disease or other neurodegenerative disorders

Who should apply: Scientists who meet the above criteria; self-nominations not permitted

Award: \$3 million

Deadline: April 1, 2023, midnight PT

Women's Health || Foundation for Women's Wellness [Fellowship Awards](#)

What: Supports MD and PhD candidates and those pursuing postdoctoral and specialty

training in women's health disciplines such as cardiovascular disease, leading female cancers, and hormones' role in disease and stage-of-life health concerns

Who should apply: Researchers who are pursuing an MD and/or PhD or engaged in postdoctoral fellowship or specialty training

Award: \$5,000

Deadline: April 7, 2023, 10:59 p.m. PT

New this week!

Multidisciplinary || Foundation for the National Institutes of Health [Trailblazer Prize for Clinician-Scientists](#)

What: Recognizes the outstanding contributions of early career clinician-scientists whose research has the potential to or has led to innovations in patient care

Who should apply: Early career clinician-scientists who are no more than 10 years since the completion of clinical training or their first postdoctoral fellowship; self-nominations not permitted

Award: \$10,000

Deadline: April 14, 2023, 2 p.m. PT

Multidisciplinary || NOMIS & Science [Young Explorer Award](#)

What: Recognizes bold young researchers who ask fundamental questions at the intersection of the life and social sciences

Who should apply: Investigators 35 and younger who hold an MD, PhD or MD/PhD at the time of entry; work submitted for consideration must have been performed in

the past three years

Award: \$15,000 to grand prize winner; \$5,000 to runners up

Deadline: May 15, 2023

Multidisciplinary || NSF [National Medal of Science](#)

What: Two awards, one for science and one for technology and innovation; recognizes contributions to knowledge or the impact of their work on the state of the chemical, physical, biological, social, or behavioral sciences; mathematics; or engineering, or contributions to the nation's economic, environmental, and social well-being through the development of technological products, processes, and concepts

Who should apply: U.S. citizens or permanent residents who are applying for U.S. citizenship, who have done work of significantly outstanding merit or that has had a major impact on scientific thought in their field; must be nominated by peers

Deadline: May 26, 2023, 8:59 p.m. PT

Neuroscience || International Women in MS [Rachel Horne Prize for Women's Research in MS](#)

What: Recognizes outstanding contributions to research in the understanding and treatment of women's specific health issues in MS

Who should apply: Mid-to-senior career women MS scientists and neurologists who have worked for more than 15 years at assistant professor level and, at the time of

application, hold the title of associate professor or professor

Award: \$40,000

Deadline: June 9, 2023

New this week!

Neuroscience || Eppendorf & Science Prize for Neurobiology

What: Honors one young scientist for outstanding neurobiological research based on methods of molecular and cell biology conducted by them during the past three years

Who should apply: Neurobiologists who are 35 or younger with an advanced degree received in the last 10 years

Award: \$25,000

Deadline: June 15, 2023

COVID-19 Opportunities

Due to the decline in new funding opportunities related to COVID-19, we are transitioning the separate COVID-19 Funding Alerts to this space. You can still [view the archive of COVID-19 Funding Alerts](#), and a [list of still-open opportunities](#) will be updated weekly.

Multidisciplinary || Multiple NIH

Organizations [Notice of Special Interest \(NOSI\): Advance Data Science Approaches Through Secondary Data Analysis to Reveal Scientific Insights of COVID-19 Testing Technologies \(R21\)](#)

What: Supplements to support secondary data analysis to address questions and advance scientific inquiry related to SARS-CoV-2 through the existing data resources in the Rapid Acceleration of Diagnostics Data Hub ([RADx DataHub](#)), including and in conjunction with other data resources

Who should apply: PIs interested in the Rapid Acceleration of Diagnostics Data Hub

Award: Up to \$275,000/up to two years

Deadline: May 31, 2023, 5 p.m. PT

Multidisciplinary || NHLBI [Notice of Special Interest \(NOSI\): Enhancing Research on Deciphering Mechanisms of COVID-19-Associated Coagulopathy](#)

What: Funding to accelerate an understanding of the mechanisms of COVID-19-Associated Coagulopathy which are provoked by vascular endothelial cell injury, hyperimmune responses, and hypercoagulability at genomic, molecular, and cellular levels

Who should apply: Anyone with a research interest in COVID-19-Associated Coagulopathy

Award: Not limited/up to five years

Deadline: Open from June 5, 2023 through July 6, 2025, 5 p.m. PT

Dentistry || NIDCR [Notice of Special Interest \(NOSI\): NIDCR Support for Research on the Physiological Involvement of Oral Cavity in Coronavirus Disease 2019 \(COVID-19\)](#)

What: Supports research studies focused on the physiological involvement of oral cavity and oral manifestations related to SARS-CoV-2

and/or COVID-19

Who should apply: Anyone with a research interest in COVID-19 and oral cavity and oral manifestations

Award: Dependent upon FOA

Deadline: Open from Oct. 5, 2023 through May 8, 2026, 5 p.m. PT

NIH Federal Opportunities

This week the NIH released funding opportunities concerning [biomedical technology, infectious disease, and emergency response](#). We've highlighted some opportunities of potential interest below.

Multidisciplinary || Multiple NIH Organizations [Understanding Chronic Conditions Understudied Among Women \(R01 Clinical Trial Optional\)](#)

What: Supports applications on chronic conditions understudied among women or that disproportionately affect populations of women who are understudied, underrepresented, and underreported in biomedical research; [see also RFA-OD-23-013](#)

Who should apply: Anyone with a research interest in chronic conditions understudied among women

Award: Up to \$1.4 million/up to four years

Deadline: *LOI due:* May 19, 2023 (*LOI not required but highly encouraged*); *Application due:* June 20, 2023, 5 p.m. PT

Cancer || **NCI** [Addressing the Primary Care Needs of Cancer Survivors \(U01 Clinical Trial Required\)](#)

What: Supports the development and testing of primary care practice and health system-level interventions to promote care for adult cancer survivors during or after treatment

Who should apply: Anyone with a research interest in adult cancer survivors' care needs

Award: Up to \$3.5 million/up to five years

Deadline: *LOI due: May 30, 2023 (LOI not required but highly encouraged); Application due: June 30, 2023, 5 p.m. PT*

Multidisciplinary || Multiple NIH

Organizations [NIH Medical Scientist Partnership Program \(FM1 Clinical Trial Not Allowed\)](#)

What: Funding to develop a diverse pool of combined doctoral degree students who will conduct their PhD dissertation research at research laboratories in the [NIH Intramural Research Program](#)

Who should apply: Citizens or non-citizen nationals of the United States or people who have been lawfully admitted for permanent residence who are matriculated into a combined degree program or clinical doctoral program with the option to pursue a PhD during their clinical degree training; [see more eligibility info in FOA](#)

Award: Stipends, tuition and fees/up to four years

Deadline: Aug. 8, 2023, 5 p.m. PT

Administrative Supplements

Multidisciplinary || Multiple NIH

Organizations [Notice of Special Interest \(NOSI\): Administrative Supplement for Research Efforts that Elucidate Fundamental Processes Underlying Behavior Change, Maintenance, and Adherence \(Admin Supp Clinical Trial Optional\)](#)

Multidisciplinary || Multiple NIH

Organizations [Notice of Special Interest \(NOSI\): Administrative Supplements to Enhance Software Tools for Open Science](#)

Multidisciplinary || Multiple NIH

Organizations [Notice of Special Interest: Administrative Supplements to NIH-funded T32 and TL1 Training Grants to Better Integrate Behavioral and Social Sciences \(BSS\) with other Health-Related Sciences](#)

Multidisciplinary || Multiple NIH

Organizations [Notice of Special Interest \(NOSI\): Administrative Supplements to Support Collaborations to Improve the AI/ML-Readiness of NIH-Supported Data](#)

Multidisciplinary || Multiple NIH

Organizations [Notice of Special Interest \(NOSI\): Climate Change and Health Administrative Supplements](#)

Cancer || **NCI** [Notice of Special Interest \(NOSI\): Enhancement of external environmental exposure assessment for cancer epidemiology research](#)

Multidisciplinary || **NIGMS and ODSS** [Notice of Special Interest \(NOSI\): Availability of Administrative Supplements to Advance the Use of Electronic Health Records for Research](#)

General Notices

Multidisciplinary || **NIH** [Guidance for the Repayment of Grant Funds](#)

Other Federal and Local Opportunities

Cancer || **DoD Pancreatic Cancer Research Program** [Focused Pilot Award](#)

What: Supports exploration of innovative concepts or theories in pancreatic cancer that could ultimately lead to critical discoveries or major advancements that will drive the field forward

Who should apply: Investigators at all academic levels

Award: Up to \$200,000/up to two years

Deadline: Not announced yet; will be posted here again when deadline is announced

Cancer || **DoD Pancreatic Cancer Research Program** [Idea Development Award](#)

What: Supports new ideas that represent innovative, high-risk/high-gain approaches to

pancreatic cancer research and have the potential to make an important contribution to one or more of the FY23 PCARP Focus Areas

Who should apply: Investigators at or above the level of assistant professor or equivalent with early-career partnering PI option

Award: Up to \$650,000/up to three years

Deadline: Not announced yet; will be posted here again when deadline is announced

Cancer || DoD Pancreatic Cancer Research Program [Translational Research Partnership Award](#)

What: Supports partnerships between clinicians and laboratory scientists that accelerate ideas in pancreatic cancer into clinical applications

Who should apply: Independent investigators at or above the level of assistant professor or equivalent partnering with clinicians with an M.D., M.D./Ph.D., or equivalent with clinical duties; at least one member of the partnership must have expertise in pancreatic cancer

Award: Up to \$750,000/up to three years

Deadline: Not announced yet; will be posted here again when deadline is announced

Cancer || DoD Peer Reviewed Cancer Research Program [Advancing Clinical Care Through Clinical Trials Award](#)

What: Supports clinical trials that will progress to the next stage of study or improve the standard of care

Who should apply: Independent investigators at or above the level of assistant professor or

equivalent

Award: Up to \$3 million/up to four years

Deadline: Not announced yet; will be posted here again when deadline is announced

Cancer || DoD Peer Reviewed Cancer Research Program [Career Development Award – Fellow Option](#)

What: Supports independent, early-career investigators to conduct impactful research with the mentorship of an experienced cancer researcher

Who should apply: Independent investigators at or above the level of research assistant professor or instructor or equivalent within seven years of their terminal degree

Award: Up to \$400,000/up to three years

Deadline: Not announced yet; will be posted here again when deadline is announced

Cancer || DoD Peer Reviewed Cancer Research Program [Career Development Award – Resident Option](#)

What: Supports early-career physician-scientists with mentorship to prepare for impactful clinical cancer research

Who should apply: Early-career physician-scientist currently enrolled in an accredited medical education program

Award: Up to \$400,000/up to two years

Deadline: Not announced yet; will be posted here again when deadline is announced

Cancer || DoD Peer Reviewed Cancer Research Program [Idea Award](#)

What: Supports innovative, untested, high-risk/potentially high-reward concepts, early basic science, and methods in cancer research

Who should apply: Independent investigators with a faculty-level appointment or equivalent

Award: Up to \$400,000/up to two years

Deadline: Not announced yet; will be posted here again when deadline is announced

Cancer || DoD Peer Reviewed Cancer Research Program [Impact Award](#)

What: Supports hypothesis-driven, high impact research that have the potential to make a near-term, major impact on one of the FY23 PRCRP Topic Areas

Who should apply: Investigators at or above the level of assistant professor or equivalent

Award: Up to \$1 million/up to three years

Deadline: Not announced yet; will be posted here again when deadline is announced

Cancer || DoD Peer Reviewed Cancer Research Program [Patient Well-Being and Survivorship Award](#)

What: Supports studies to advance preservation of function, quality of life, supportive care, symptom management, resilience, relief from neurocognitive deficits, and support for psychosocial issues related to cancer diagnosis, treatment, and survivorship

Who should apply: Independent investigators with a faculty-level appointment or equivalent

Award: Up to \$1 million/up to four years

Deadline: Not announced yet; will be posted here again when deadline is announced

Cancer || DoD Peer Reviewed Cancer Research Program [Translational Team Science Award](#)

What: Supports translational studies associated with an ongoing or completed clinical trial that can lead to a future clinical trial or clinical application in cancer research

Who should apply: At least two, and a maximum of three, PIs must partner in one overarching correlative or translational research study, and at least one of the PIs is encouraged to be a military or U.S.

Department of Veterans Affairs investigator

Award: Up to \$2.5 million/up to four years

Deadline: Not announced yet; will be posted here again when deadline is announced

Private Opportunities

Hematology || Sanofi US [Rare Blood Disorder: Hemophilia EHA Global 2023](#)

What: Supports research to close independently identified gaps and provide evidence-based recommendations and education for health care providers involved in the diagnosis and treatment of hemophilia

Who should apply: Accredited continuing education providers, health-related academic societies and organizations, medical education communication companies, teaching hospitals, educational institutions and other groups who have the potential to provide high quality education to advance healthcare

Award: Up to \$250,000/not specified

Deadline: March 28, 2023, 9 a.m. PT

Mental Health || American Psychological Foundation and International Union of Psychological Science [Global Mental Health Fellowship](#)

What: Opportunity for a psychologist to contribute to the work of the World Health Organization in the Department of Mental Health and Substance Abuse for one year

Who should apply: Researchers who have a doctoral degree from a recognized program in a clinical area of psychology, are a psychologist of any career level with demonstrated research experience and leadership in at least one of the Department of Mental Health and Substance Abuse priority areas, and are an APA member or have applied for APA membership at the time of application

Award: Up to \$30,000 in stipend and travel funds/one year

Deadline: April 14, 2023

Neuroscience || Angelman Syndrome Foundation [General Research Submissions](#)

What: Supports research on the heterozygous effect of non-UBE3A genes in deletion, potential results of increasing UBE3A after therapies or for some subtypes of AS, delivery of therapies and potential for improvement and symptomatic therapies that impact patients' daily life

Who should apply: Anyone with a research interest in Angelman Syndrome

Award: Up to \$200,000/up to two years

Deadline: April 15, 2023

Neuroscience || Whitehall Foundation [Research Grants and Grants-in-Aid](#)

What: Supports basic research in neurobiology including invertebrate and vertebrate (except clinical) neurobiology and investigations of neural mechanisms involved in sensory, motor and other complex functions of the whole organism as they relate to behavior

Who should apply: Assistant professors and higher who are considered independent and have their own dedicated lab space

Award: For Grants-in-Aid: Up to \$30,000/one year; For Research Grants: Up to \$300,000/up to three years

Deadline: LOI due: April 15, 2023; Application due: July 1, 2023

Rare Disease || Sanofi US [Rare Blood Disorder: ASMD & Gaucher Disease ASH 2023](#)

What: Supports research to close healthcare gaps to improve clinician knowledge of diagnostic and treatment strategies in ASMD and Gaucher Disease

Who should apply: Accredited continuing education providers, health-related academic societies and organizations, medical education communication companies, teaching hospitals, educational institutions and other groups who have the potential to provide high quality education to advance healthcare

Award: Up to \$350,000/not specified

Deadline: April 17, 2023, 9 a.m. PT

Multidisciplinary || Robert A. Winn Diversity in Clinical Trials Award Program [Career Development Award](#)

What: Funding to facilitate an approach to clinical and translational research that is community-informed, designed, and conducted

Who should apply: Early-Stage Investigators [as defined by the NIH](#) who are US citizens or lawful permanent residents

Award: Up to \$240,000/up to two years

Deadline: May 12, 2023, 8:59 p.m. PT
