OHSU Funding Alerts: Week of September 20, 2023

OHSU Funding Opportunities

**Multidisciplinary || OHSU Foundation Collins Medical Trust**
What: Provides seed funding up to $30,000 for projects that advance health-related research, including basic laboratory science, clinical research, and public health investigations. Competitive candidates are early career investigators with salary support from their departments who are clearly supported by their mentor(s) and proposing projects that position them for NIH or other substantial funding. Successful proposals highlight impact on the immediate population served, Oregon, and potential national impact.

Who should apply: Early career investigators, including postdoctoral fellows and assistant professors, who are clearly supported by their mentors.

Award: Up to $30,000/one year

Deadline: Notice of Intent form is required (form window open: Sept. 22-29, 2023); Application due: Dec. 8, 2023

Questions? Contact the OHSU Foundation

**Multidisciplinary || OCTRI Biomedical Innovation Program (BIP) Device, Diagnostic and Software**
What: Supports the development and commercialization of novel and innovative technologies that aim to improve healthcare delivery; proposed medical device and diagnostic technologies should address a significant clinical problem, achieve cost savings, improve research efficiency or improve quality of patient care.

Who should apply: All employees and students of OHSU are eligible; if human or animal subjects are involved in research, PIs must meet OHSU Principal Investigator requirements; non-faculty must submit approval from their supervisor or department head authorizing “effort” on the grant.

Award: Up to $40,000/typically one year

Deadline: LOI due: Sept. 27, 2023; Application due: Nov. 16, 2023

Apply through REDCap (must first complete a Technology Disclosure Form if not previously submitted)

Send questions to Jonathan Jubera

**Neuroscience || Oregon Alzheimer's Disease Research Center Research Scholars**
What: Support for junior investigators as they pursue research careers in Alzheimer’s Disease and related dementias, and normal brain aging; funding provides discretionary support for career development, equipment, salary support, or other expenses and includes an educational program, individualized mentored opportunities and access to senior-level faculty for consultation and mentoring support.

Who should apply: Doctoral candidates, post-doctoral fellows, or early-career faculty; investigators from communities underrepresented in research are especially encouraged to apply.

Award: $10,000/one year (with potential for a second year dependent on funding)

Deadline: Oct. 18, 2023, 5 p.m. PT

Contact Heather Schiffke for more information

**Neuroscience || Oregon Partnership for Alzheimer’s Research and OHSU Layton Aging & Alzheimer's Disease Center Oregon Tax Checkoff for Alzheimer’s Research Fund**
What: Supports research to advance the
understanding, treatment or prevention of Alzheimer’s in Oregon

Who should apply: Applicants may be investigators in Oregon who are launching their careers, including senior graduate students (for doctoral dissertation research), fellows, and junior investigators; applications will not be considered from established Alzheimer’s researchers

Award: Up to $35,000/one year
Deadline: LOI due: Oct. 20, 2023, 5 p.m. PT; Application due: Feb. 9, 2024, 5 p.m. PT
Contact Natasha Spoden for more information

New this week!

Cardiovascular ‖ Knight Cardiovascular Institute Postdoctoral Fellowship for training in Cardiovascular Research and Translational Science
What: Funds postdoctoral scientists for two years to train and be mentored by highly accomplished clinical and basic research scientists who are renowned for applying cutting edge scientific ideas to improve human health

Who should apply: Trainees must have a graduate degree and either be a United States citizen, a non-citizen national of the United States, or have Permanent Resident status
Award: $12,200 per year toward benefits, $4500 per year in tuition support, and $1,400 in travel funds to attend at least one conference per year/two years
Deadline: Oct. 30, 2023; fellowship starts on Jan. 1, 2024
Send questions to Nabil Alkayed

Neuroscience ‖ OHSU Department of Neurology Neuroscience Campaign Fund to Support Brain Health Across the Lifespan
What: Supports projects from any area of neuroscience research pertaining to brain health across the lifespan (basic, translational, or clinical); the goal of this opportunity is to create pilot or feasibility data that will lead to outside funding, including proposals from K awardees who need additional funding to generate data for R01s or similar

Who should apply: All OHSU neuroscience researchers in good standing; applicants are not limited to those within the Department of Neurology, and trainees are excluded from being the PI
Award: Up to $50,000/one year
Deadline: Oct. 30, 2023
Send questions to funding@ohsu.edu; apply through the CAP

Cancer ‖ International Alliance for Cancer Early Detection Project Award
What: Supports small scale proposals for high-risk research with some preliminary data and larger proposals building on previously established research; priority areas include enabling interception, hereditary cancers and risk prediction, inequalities in cancer detection, and early detection in low and middle income countries

Who should apply: Applicants must be named Alliance Members of one of the following institutions: Canary Center at Stanford University, the University of Cambridge, the OHSU Knight Cancer Institute, University College London or The University of Manchester
Award: Up to $630,000/up to three years
Deadline: Intent to submit due: Nov. 30, 2023; Application due: Jan. 19, 2024

Multidisciplinary ‖ OCTRI Mobile Apps for Clinical Studies (MACS)
What: Funding to leverage MyCap to create mobile apps that allow clinical study participants to report data via a smartphone
Who should apply: PIs who want to create a mobile app for clinical or commercial purposes
Award: Up to $5,000/typically one year
Deadline: Rolling; application will close when funding for the fiscal year is exhausted
Apply through REDCap

Multidisciplinary ‖ OHSU Fellowship for Diversity in Research
What: Funds researchers with the goal of increasing the diversity of the community of scholars devoted to academic scientific research at OHSU
Who should apply: Individuals requiring mentored postdoctoral training in order to achieve their career goals; priority is given to applicants who have obtained their PhD (or are soon to defend) and are not currently OHSU trainees (e.g., graduate students or postdoctoral trainees); should be within the
**First two years of their position at OHSU**

**Award:** Provides salary for one year and $5,000 for professional development  
**Deadline:** Applications accepted anytime;  
**Apply through the CAP**

---

**Multidisciplinary | OHSU School of Medicine Exploratory Research Seed Grants**

**What:** Supports investigators who need to work with an OHSU core or with the Pacific Northwest National Laboratory (PNNL) to develop preliminary data for an application for extramural research support  
**Who should apply:** School of Medicine faculty in the professorial series who have not received this award within the last year  
**Award:** Up to $5,000/one year  
**Deadline:** Applications accepted anytime  
**Apply through the CAP**

---

**Limited Submission Opportunities**

---

**Multidisciplinary | NSF Major Research Instrumentation Program: (MRI)**

**What:** Supports the acquisition or development of a multi-user research instrument that is, too costly or inappropriate for support through other NSF programs  
**Who should apply:** Anyone who would like to acquire an expensive research instrument  
**Award:** Up to $4 million/up to five years  
**Deadline:** Internal submission: Sept. 21, 2023; Application due: Nov. 15, 2023, 5 p.m. PT  
**Apply through the CAP**

---

**Occupational Health | CDC and NIOSH National Center for Construction Safety and Health Research and Translation (US4)**

**What:** Supports multidisciplinary approaches for impactful applied and intervention research and hazard identification and controls, to develop partnerships for implementing prevention and intervention activities, and to serve as leaders in research translation and research-to-practice for the protection of construction workers in the United States  
**Who should apply:** Any individual(s) with the skills, knowledge, and resources necessary to carry out the proposed research as the Project Director/Principal Investigator (PD/PI) is invited to work with his/her organization to develop an application for support  
**Award:** Up to $28.75 million/up to five years  
**Deadline:** Internal submission due: Sept. 25, 2023; LOI due: Nov. 1, 2023 (LOI not required but highly encouraged); Application due: Dec. 1, 2024, 5 p.m. PT  
**Apply through the CAP**

---

**Cancer | NCI The NCI Predoctoral to Postdoctoral Fellow Transition Award (F99/K00 Clinical Trial Not Allowed)**

**What:** Supports the transition of graduate students into cancer research postdoctoral appointments and provides opportunities for career development activities relevant to their long-term career goals of becoming independent cancer researchers  
**Who should apply:** Graduate students in the third or fourth year of a mentored PhD or equivalent research degree program who are citizens or noncitizen nationals of the United States, have been lawfully admitted for permanent residence, or are non-U.S. citizens with a valid U.S. visa;  
**Award:** Stipends, tuition and fees, and institutional allowance in F99 and salary, fringe benefits and other program-related expenses in K00/up to six years  
**Deadline:** Internal submission due: Sept. 27, 2023; Application due: Nov. 17, 2023, 5 p.m. PT  
**Apply through the CAP**

---

**Neuroscience | Brain Research Foundation 2023 Seed Grant Program**

**What:** Provides start-up money for new and innovative neuroscience research projects that could be competitive for an NIH grant or other external funding sources  
**Who should apply:** Full-time assistant or associate professors working in the area of studies of brain function  
**Award:** Up to $80,000/up to two years  
**Deadline:** Internal submission due: Sept. 28, 2023; LOI due: Nov. 21, 2023, 2 p.m. PT; Application due: March 7, 2024, 2 p.m. PT  
**Apply through the CAP**

---

**Multidisciplinary | Blavatnik Family Foundation 2024 National Awards for Young Scientists**
What: Supports young scientists across the US by recognizing excellence in life sciences, physical sciences and engineering, and chemistry
Who should apply: Researchers who were born in or after 1982, hold a tenured or tenure-track academic faculty position (or equivalent) and conduct research as a principal investigator in one of the disciplinary categories
Award: $250,000 in unrestricted funds
Deadline: Internal submission due: Oct. 2, 2023; Application due: Nov. 29, 2023
Apply through the CAP

New this week!
Multidisciplinary || G. Harold and Leila Y. Mathers Foundation Research Grants
What: Supports basic science, ideally with potential translational applications; examples of current research areas of interest include: immunology, microbiome, genomics, structural biology, cellular physiology, and neuroscience
Who should apply: Open to investigators who are performing basic scientific research with translational potential; institutions are limited to four applications per cycle
Award: Grant budgets should be no more than $600,000-750,000 (including indirect expenses)/up to three years
Deadline: Internal submission due: Oct. 9, 2023; Portal registration due: Nov. 17, 2023; LOI due: Dec. 1, 2023; Application due: March 1, 2024
Apply through the CAP

Merit Prizes and Awards
Ophthalmology || Association for Research in Vision and Ophthalmology Kreissig Award for Excellence in Retinal Surgery
What: Recognizes the next generation of curious, enterprising investigators who seek to optimize functional outcomes for patients needing retinal surgery
Who should apply: Clinician-investigators specializing in the retina who have been practicing at least 10 years as a fully trained ophthalmologist specialist in the posterior segment surgery of the eye, are ARVO members and are age 55 or younger
**Immunology & Science Prize for Immunology**

**What:** Recognizes young investigators from disciplines including computer science, artificial intelligence/machine learning, nanotechnology, genomics, parasitology and tropical medicine, neurodegenerative diseases, and gene editing, who apply their expertise to perform research that has an impact on vaccine and immunotherapy

**Who should apply:** Researchers who are no older than 35, hold an MD, PhD, or MD/PhD at the time of entry, and whose research was performed during the previous three years

**Award:** $30,000 for grand prize winner and $10,000 for runners up

**Deadline:** Oct. 1, 2023

---

**Multidisciplinary & BioInnovation Institute Science Prize for Innovation**

**What:** Recognizes researchers who are asking fundamental questions at the intersection of the life sciences and entrepreneurship and scientists who can show that they have reached across field boundaries with an enthusiasm that combines outstanding basic science with an eye toward the marketplace

**Who should apply:** Researchers who have finished their PhD-level education within the last 10 years and must hold an MD, PhD, DVM, PharmD., or combination of these degrees at the time of entry

**Award:** $25,000 for grand prize winner and $10,000 for runners up

**Deadline:** Nov. 1, 2023

---

**New this week!**

**Mechthild Esser Nemmers Prize in Medical Science**

**What:** Honors a physician-scientist whose body of research exhibits outstanding achievement in medical science as demonstrated by works of lasting significance

**Who should apply:** Physician-scientists; individuals of all nationalities and institutional affiliations are eligible except current or recent Northwestern University faculty members and recipients of the Nobel Prize

**Award:** Not specified

**Deadline:** Nov. 1, 2023
COVID-19 Opportunities

Due to the decline in new funding opportunities related to COVID-19, we are transitioning the separate COVID-19 Funding Alerts to this space. You can still view the archive of COVID-19 Funding Alerts, and a list of still-open opportunities will be updated weekly.

Dentistry || NIDCR Notice of Special Interest (NOSI): NIDCR Support for Research on the Physiological Involvement of Oral Cavity in Coronavirus Disease 2019 (COVID-19)
What: Supports research studies focused on the physiological involvement of oral cavity and oral manifestations related to COVID-19
Who should apply: Anyone with a research interest in COVID-19 and oral manifestations
Award: Dependent upon FOA
Deadline: Open from Oct. 5, 2023 through May 8, 2026, 5 p.m. PT

Neuroscience || NINDS Analysis of data in the COVID-19 Neuro Databank-Biobank (R03 - Clinical Trial Not Allowed)
What: Funding for applications that aggregate and analyze existing data in the COVID-19 Neuro Databank-Biobank
Who should apply: Anyone with a research interest in the effects of COVID-19 on pre-existing neurological conditions
Award: Up to $100,000/up to two years
Deadline: LOI due: Oct. 8, 2023 (LOI not required but highly encouraged); Application due: Nov. 8, 2023, 5 p.m. PT

NIH Federal Opportunities

This week the NIH released funding opportunities concerning Native American health, workforce diversity, and influenza. We’ve highlighted some opportunities of potential interest below.

Multidisciplinary || Multiple NIH Organizations Ruth L. Kirschstein National Research Service Award (NRSA) Individual Postdoctoral Fellowship (Parent F32)
What: Supports research training of highly promising postdoctoral candidates who have the potential to become productive, independent investigators in scientific health-related research fields relevant to the missions of the participating NIH Institutes and Centers
Who should apply: Candidates must show evidence of high academic performance in the sciences, and commitment to a research career; additional eligibility info in NOFO
Award: Stipends, tuition and fees, and institutional allowance/up to three years
Deadline: Dec. 8, 2023, 5 p.m. PT

Multidisciplinary || NIH Final Updated Policy Guidance for Subaward/Consortium Written Agreements

Requests for Information

Multidisciplinary || NIH Office of Data Science Strategy Request for Information (RFI): Inviting Comments and Suggestions on Opportunities and Challenges for the Collection, Use, and Sharing of Real-World Data (RWD) including Electronic Health Records, for NIH Supported Biomedical and Behavioral Research

Other Federal and State Opportunities

Multidisciplinary || Women in Science PDX Professional Development Scholarships
What: Scholarships to enable Oregon graduate students to enhance their career development by attending conferences, workshops, courses, and related opportunities
Who should apply: STEM graduate students in Oregon (Master’s or PhD) of any historically
marginalized gender (including cisgender women, transgender women, transgender men, non-binary individuals, and all gender identities which have been systematically oppressed by those in power throughout history) who have not have received a WIS Professional Development Scholarship during the previous award cycle

**Award:** Up to $500

**Deadline:** Oct. 16, 2023, 11:59 p.m. PT

---

**Private Opportunities**

**Multidisciplinary **|| Best Colleges [Scholarship for Black Women in STEM](#)

**What:** Scholarships to help address Black women in STEM earning salaries that are 45 percent lower than their highest-paid peers

**Who should apply:** Individuals who identify as cisgender, transgender, or gender non-conforming Black women pursuing a STEM-related field who are legal residents of the United States, intend to enroll or be enrolled as an undergraduate or graduate student in an accredited college or university in the U.S. for the 2023-24 academic year, and are at least 17 years old

**Award:** $6,000/not specified

**Deadline:** Sept. 30, 2023, 8:59 p.m. PT

**Cancer **|| Pfizer [HRRm Testing in Metastatic Prostate Cancer](#)

**What:** Funding to enhance the understanding of the need for Homologous Recombination Repair Gene Mutation testing relative to metastatic prostate cancer in clinical practice in accordance with practice guidelines

**Who should apply:** Medical, dental, nursing, allied health, and pharmacy professional schools; healthcare institutions; professional organizations/medical societies; medical education companies; and other entities with a mission related to healthcare professional education and healthcare improvement

**Award:** Up to $200,000/up to 15 months

**Deadline:** Oct. 16, 2023, 8:59 p.m. PT

---

**Previously Published Opportunities**

**Endocrinology **|| NIDDK [Integration of Novel Measures for Improved Classification of Type 2 Diabetes (U01, Clinical Trials Not Allowed)](#)

**Deadline:** LOI due: Sept. 26, 2023 (LOI not required but highly encouraged); Application due: Oct. 26, 2023, 5 p.m. PT

**Multidisciplinary **|| Paul & Daisy Soros [Fellowships for New Americans](#)

**What:** Supports the graduate education of 30 immigrants and children of immigrants poised to significantly contribute to U.S. society, culture, or their academic field

**Who should apply:** Applicants must be an immigrant or a child of immigrants who is 30 or younger as of the application deadline and planning on starting or continuing an eligible graduate degree program full-time in the U.S. in the 2024-25 academic year

**Award:** Up to $90,000/up to two years

**Deadline:** Oct. 26, 2023, 11 a.m. PT

---

**Federal**

**September 2023**

**Endocrinology **||Multiple NIH Organizations [CCRP Initiative: Chemical Threat Agent](#)
Exposure Resource and Coordination Core (ExRC) (U2C Clinical Trial Not Allowed)  
Application due: Sept. 28, 2023, 5 p.m. PT

Neuroscience || NIA Health Equity and the Cost of Novel Treatments for Alzheimer’s Disease (AD) and AD-Related Dementias (ADRD) (R61/R33 Clinical Trial Not Allowed)  
Deadline: LOI due: Sept. 29, 2023 (LOI not required but highly encouraged); Application due: Oct. 31, 2023, 5 p.m. PT

October 2023

Oral Health || NIDCR Developing Salivary Components as Therapeutics for Oral Health (R01 Clinical Trial Not Allowed)  
Deadline: LOI due: Oct. 1, 2023 (LOI not required but highly encouraged); Application due: Nov. 1, 2023, 5 p.m. PT

Substance Use || NIDA Advancing Psychedelics Research for Treating Addiction (R01 Clinical Trial Not Allowed)  
Deadline: LOI due: Oct. 2, 2023 (LOI not required but highly encouraged); Application due: Nov. 2, 2023, 5 p.m. PT

Multidisciplinary || NIMHD, ODP, and OBSSR Youth Violence Prevention Interventions (R01 - Clinical Trial Required)  
Application due: Oct. 2, 2023, 5 p.m. PT

Multidisciplinary || Multiple NIH Organizations Accelerating Behavioral and Social Science through Ontology Development and Use:  
Research Network Projects (U01 Clinical Trial Not Allowed)  
Application due: Oct. 3, 2023, 5 p.m. PT

Cancer || NCI Innovative Research in Cancer Nanotechnology (IRCN; R01 Clinical Trial Not Allowed)  
Deadline: LOI due: Oct. 3, 2023 (LOI not required but highly encouraged); Application due: Nov. 3, 2023, 5 p.m. PT

Multidisciplinary || NIGMS Maximizing Investigators' Research Award (MIRA) for Early Stage Investigators (ESI) (R35 - Clinical Trial Optional)  
Deadline: Oct. 3, 2023, 5 p.m. PT

Cancer || Multiple NIH Organizations Interventions to expand cancer screening and preventive services to ADVANCE health in populations that experience health disparities (R01, Clinical Trial Required)  
Deadline: Oct. 5, 2023, 5 p.m. PT

Multidisciplinary || Multiple NIH Organizations Notice of Special Interest (NOSI): Epidemiology and Prevention in Alcohol Research  
Deadline: Open from Oct. 5, 2023 through Sept. 6, 2026, 5 p.m. PT

Dermatology || NIAMS Notice of Special Interest (NOSI): Accelerating Research in Understudied Skin Types  
Deadline: Open from Oct. 5, 2023 through July 16, 2026, 5 p.m. PT

Neuroscience || NIMH and NIA Novel Mechanism Research on Neuropsychiatric Symptoms (NPS) in Alzheimer's Dementia (R21 Clinical Trial Optional)  
Deadline: Oct. 5, 2023, 5 p.m. PT

Multidisciplinary || Multiple NIH Organizations Investigator-Initiated Research in Genomics and Health Equity (R01 Clinical Trial Required)  
Deadline: LOI due: Oct. 8, 2023 (LOI not required but highly encouraged); Application due: Nov. 8, 2023, 5 p.m. PT

Mental Health || NIMH Approaches to Identifying Preteen Suicide Risk and Protective Factors (R01 Clinical Trial Not Allowed)  
Deadline: LOI due: Oct. 9, 2023 (LOI not required but highly encouraged); Application due: Nov. 9, 2023, 5 p.m. PT

Infectious Disease || NIAID Development of Software for Data Science in Infectious and Immune-Mediated Diseases Research (U01 Clinical Trial Not Allowed)  
Application due:
Oct. 11, 2023, 5 p.m. PT

**Multidisciplinary** || **NIAID and ORWH Immune Mechanisms at the Maternal-Fetal Interface (R01 Clinical Trial Not Allowed)** Application due: Oct. 11, 2023, 5 p.m. PT

**Multidisciplinary** || **Multiple NIH Organizations BRAIN Initiative: Transformative Brain Noninvasive Imaging Technology Development (UG3/UH3 Clinical Trial Not Allowed)** Application due: Oct. 13, 2023, 5 p.m. PT

**Neuroscience** || **Multiple NIH Organizations NIH Blueprint for Neuroscience Research: Tools and Technologies to Explore Nervous System Biomolecular Condensates (R21 Clinical Trial Not Allowed)** Deadline: LOI due: Oct. 14, 2023 (LOI not required but highly encouraged); Application due: Nov. 14, 2023, 5 p.m. PT

**Aging** || **NIA Paul B. Beeson Emerging Leaders Career Development Award in Aging (K76 Independent Clinical Trial Not Allowed) and (K76 Clinical Trial Required)** Application due: Oct. 20, 2023, 5 p.m. PT

**Aging** || **NIA Primary Care-Based Screening Tool and Intervention Development for the Detection and Prevention of Abuse and Neglect in Older and Vulnerable Adults With, or at Risk for, Mild Cognitive Impairment and AD/ADRD (R61/R33 Clinical Trial Required)** Application due: Oct. 20, 2023, 5 p.m. PT

**Neuroscience** || **NINDS Collaborative Opportunities for Multidisciplinary, Bold, and Innovative Neuroscience (COMBINE) (RM1 Clinical Trial Optional)** Application due: Oct. 20, 2023, 5 p.m. PT

**Neuroscience** || **NIMH, NICHD, and ORWH Improving Choice, Use, and Equitable Implementation of Biomedical HIV Prevention for Women (R01 Clinical Trial Optional)** Deadline: LOI due: Oct. 22, 2023 (LOI not required but highly encouraged); Application due: Nov. 22, 2023, 5 p.m. PT

**Multidisciplinary** || **Multiple NIH Organizations Early-stage Biomedical Data Repositories and Knowledgebases (R24 Clinical Trial Not Allowed)** Deadline: Oct. 30, 2023, 5 p.m. PT

**Multidisciplinary** || **Multiple NIH Organizations ADVANCE Predoctoral T32 Training Program to Promote Diversity in Health Disparities Research, Preventive Interventions, and Methodology (T32, Clinical Trial Not Allowed)** Deadline: Oct. 31, 2023, 5 p.m. PT

November 2023

**Neuroscience** || **NIMH Systems-Level Risk Detection and Interventions to Reduce Suicide, Ideation, and Behaviors in Youth from Underserved Populations (R01 Clinical Trial Optional)** Deadline: LOI due: Jan. 20, 2024 (LOI not required but highly encouraged); Application due: Feb. 20, 2024, 5 p.m. PT

**Multidisciplinary** || **NIH Common Fund Partnerships With Common Fund Data Ecosystem Resources (U24 Clinical Trial not Allowed)** Deadline: LOI due: Nov. 4, 2023 (LOI not required but highly encouraged); Application due: Dec. 4, 2023, 5 p.m. PT

December 2023

**Substance Use** || **NIDA Notice of Special Interest (NOSI): Supporting Recovery-Oriented, Family-Centered Care for Pregnant, Postpartum, and Parenting Women with Opioid Use Disorder** Deadline: Open from Nov. 15, 2023 through March 20, 2024, 5 p.m. PT

January 2024

**Cancer** || **NCI Mechanisms that Impact Cancer Risk with Use of Incretin Mimetics (R01 Clinical Trial Optional)** Deadline: LOI due: Jan. 5, 2024 (LOI not required but highly encouraged); Application due: Feb. 5, 2024, 5 p.m. PT

**Multidisciplinary** || **NCI and SGMRO Improving Care and Outcomes for Cancer Survivors from Sexual and Gender Minority (SGM) Populations (R01 Clinical Trial Optional)** Deadline: LOI due: Jan. 5, 2024 (LOI not required but highly encouraged); Application due: Feb. 5, 2024, 5 p.m. PT

**Mental Health** || **NIMH Systems-Level Risk Detection and Interventions to Reduce Suicide, Ideation, and Behaviors in Youth from Underserved Populations (R01 Clinical Trial Optional)** Deadline: LOI due: Jan. 20, 2024 (LOI not required but highly encouraged); Application due: Feb. 20, 2024, 5 p.m. PT
February 2024

**Multidisciplinary** | **Multiple NIH Organizations**
Notice of Special Interest (NOSI): BRAIN Initiative: Mentored Clinician Scientist Research Career Development program to Develop Expertise in Intracranial Human Neuroscience Research (K08) Deadline: Feb. 12, 2024, 5 p.m. PT

Open

**Multidisciplinary** | **DoD Chronic Pain**
Management Research Program Awards Deadline: Not announced yet; will be posted here again when deadline is announced

**Multidisciplinary** | **DoD Defense Medical Research and Development Program**
Battlefield Wound Management and Infection Research (BWMI) Award Deadline: Not announced yet; will be posted here again when deadline is announced
