OHSU Funding Alerts:
Week of December 7, 2023

Featured Opportunities

Cancer || Cancer Research Institute Irvington Postdoctoral Fellowship Program
What: Supports qualified young scientists at leading universities and research centers around the world who wish to receive training in fundamental immunology or cancer immunology
Who should apply: Postdocs working in immunology or cancer immunology who have less than five years of relevant postdoc experience; further eligibility info on website
Award: $228,000/three years
Deadline: Internal submission: Jan. 3, 2024; Application due: March 1, 2024, 2 p.m. PT
Apply through the CAP

Multidisciplinary || Burroughs Wellcome Fund Postdoctoral Diversity Enrichment Program
What: Supports career development activities for underrepresented minority postdoctoral fellows whose training and professional development are guided by mentors committed to helping them advance to careers in biomedical or medical research
Who should apply: Postdoctoral fellows who have no more than 48 months of postdoctoral research experience (in a research lab) at the time of application and are not more than five years from their PhD
Award: Up to $60,000/up to three years
Deadline: Jan. 18, 2024, noon PT
This organization is on the President’s List; submit a notice of intent form before applying

What: Funds research on policies that can advance the full social, economic, and civic inclusion of immigrant children and families, including publicly-funded healthcare services
Who should apply: Preference will be given to applicants that are either public entities or nonprofit organizations that are tax-exempt under Section 501(c)(3) of the Internal Revenue Code
Award: Up to $450,000/up to three years
Deadline: LOI due: Feb. 16, 2024, noon PT; Application due: July 23, 2024, noon PT
This organization is on the President’s List; submit a notice of intent form before applying

Multidisciplinary || NIGMS, OHSU Research & Innovation and Vollum Institute OHSU Postbaccalaureate Research Education Program (PREP)
What: Program to support and train a diverse pool of recent college graduates from historically excluded groups for their transition into rigorous biomedical, research-focused doctoral degree programs
Who should apply: US citizens or permanent residents who have a baccalaureate degree in a biomedically relevant science field from an accredited college or university awarded no more than 36 months prior to applying to a PREP and are not currently enrolled in a degree program; see more details
Award: Competitive research assistant salary and health benefits/one year
Deadline: March 1, 2024, 11:59 p.m. PT
Send questions to PREPograd@ohsu.edu
Apply through the CAP

OHSU Funding Opportunities

Upcoming deadline
Multidisciplinary || MRF Early Clinical Investigator Grant
What: Funding to further the development of postdoctoral fellows or trainees who interact with human subjects and who are interested in a career in clinical or translational research; see guidelines for more info
Who should apply: Postdoctoral trainees and fellows with specific plans for a career in clinical research
Award: Up to $30,000/one year
Deadline: Dec. 15, 2023, 11:59 p.m. PT
Apply through the CAP

What: Provides funding for research programs that have lost national grant funding and enables investigators to develop data supporting application renewals; OHSU applicants can apply for both MRF Emergency Interim Support and OHSU Bridge Funding; see EIS and Bridge guidelines for more info
Who should apply: Researchers who need funding to keep their programs going
Award: Up to $50,000/one year
Deadline: Dec. 15, 2023, 11:59 p.m. PT
Apply through the CAP

What: Supports promising investigators in biomedical research starting their independent careers; see guidelines for more info
Who should apply: Assistant professors or equivalent who are independent but new to research and don’t yet have funding sources
Award: Up to $50,000/one year
Deadline: Dec. 15, 2023, 11:59 p.m. PT
Apply through the CAP

Women’s Health || Circle of Giving Women’s Health Research Funding
Opportunity Deadline: Jan. 12, 2024
Apply through the CAP

Public Health || OHSU-PSU School of Public Health Kickstarter Awards Deadline: Accepted on a rolling basis through Jan. 15, 2024
Apply through the CAP

Neuroscience || OHSU Foundation The Valerie Palmer Global Health Neurology Diversity Research Award Deadline: Jan. 31, 2024
Send questions to funding@ohsu.edu; apply through the CAP

New this week!
Multidisciplinary || NIGMS, OHSU Research & Innovation and Vollum Institute OHSU Postbaccalaureate Research Education Program (PREP)
What: Program to support and train a diverse pool of recent college graduates from historically excluded groups for their transition into rigorous biomedical, research-focused doctoral degree programs
Who should apply: US citizens or permanent residents who have a baccalaureate degree in a biomedically relevant science field from an accredited college or university awarded no more than 36 months prior to applying to a PREP and are not currently enrolled in a degree program; see more details
Award: Competitive research assistant salary and health benefits/one year
Deadline: March 1, 2024, 11:59 p.m. PT
Send questions to PREPtograd@ohsu.edu
Apply through the CAP

Upcoming deadline
Cancer || Mary Kay Foundation Cancer Research Grants
What: Supports translational research in ovarian, uterine, breast, cervical, or other cancers that affect women that would improve diagnosis, prognosis, prevention or treatment of one of the listed cancers
Who should apply: Full-time assistant professors and higher who can commit a minimum five percent effort
Award: Up to $100,000/up to two years
Deadline: Internal submission due: Dec. 12, 2023; Application due: Feb. 1, 2024
Apply through the CAP

Upcoming deadline
Substance Use || NIDA The National Drug
Abuse Treatment Clinical Trials Network (UG1 Clinical Trial Required)
What: Network that invites clinical investigators to participate and contribute to the network’s capacity to respond to urgent public health needs
Who should apply: All organizations administering an eligible parent award may apply for a supplement under this NOFO
Award: Up to $3.5 million/up to five years
Deadline: Internal submission due: Dec. 13, 2023; LOI due: Feb. 13, 2024 (LOI not required but highly encouraged); Application due: March 13, 2024, 5 p.m. PT
Apply through the CAP

Upcoming deadline
Cancer || NCI Pathway to Independence Award for Outstanding Early Stage Postdoctoral Researchers
What: Funding to increase and maintain a strong cohort of new, talented and NCI-supported independent investigators; includes (K99/R00 - Independent Basic Experimental Studies with Humans Required), (K99/R00 - Independent Clinical Trial Not Allowed) and (K99/R00 - Independent Clinical Trial Required)
Who should apply: Mentored postdocs in cancer research with no more than two years of postdoctoral research experience; more eligibility info in NOFOs
Award: Up to $650,000 plus indirect costs/up to five years
Deadline: Internal submission: Dec. 14, 2023; Application due: Feb. 14, 2024, 5 p.m. PT
Apply through the CAP

New this week!
Cancer || Cancer Research Institute Irvington Postdoctoral Fellowship Program
What: Supports qualified young scientists at leading universities and research centers around the world who wish to receive training in fundamental immunology or cancer immunology
Who should apply: Postdocs working in immunology or cancer immunology who have less than five years of relevant postdoc experience; further eligibility info on website
Award: $228,000/three years
Deadline: Internal submission: Jan. 3, 2024; Application due: March 1, 2024, 2 p.m. PT
Apply through the CAP
Fellowship

**Deadline:** Internal submission due: Jan. 15, 2024; Application due: March 15, 2024

Apply through the CAP

Merit Prizes and Awards

**Upcoming deadline**

**Psychology** || **American Psychological Association**
**Theodore Blau Early Career Award for Outstanding Contribution to Professional Clinical Psychology**

**What:** Honors a clinical psychologist for professional accomplishments such as promoting the practice of clinical psychology through professional service, innovation in service delivery, novel application of applied research methodologies to professional practice

**Who should apply:** Early-career psychologists who are no more than 10 years postdoctoral; self-nomination is permitted

**Award:** $2,000

**Deadline:** Dec. 15, 2023

**Upcoming deadline**

**Psychology** || **American Psychological Foundation**
**Charles L. Brewer Distinguished Teaching of Psychology Award**

**Deadline:** Dec. 31, 2023

**Psychology** || **American Psychological Association**
**Division 29 Society for the Advancement of Psychotherapy Early Career Award**

**Deadline:** Dec. 31, 2023

**NIH Federal Opportunities**

This week the NIH released funding opportunities concerning alcohol, aging, and algorithmic analyses. We’ve highlighted some opportunities of potential interest below.

**Multidisciplinary** || **Multiple NIH Organizations**
**BRAIN Initiative: Brain-Behavior Quantification and Synchronization – Transformative and Integrative Models of Behavior at the Organismal Level (R34 Clinical Trial Optional)**

**What:** Supports applications to develop, tools and methods for measurement of behavior at the level of the organism and develop data science and computational methods that integrate behavioral and environmental data and will establish a conceptual and/or computational model of behavior as a complex dynamic system

**Who should apply:** Anyone with a research interest in models of behavior at the organismal level

**Award:** Up to $450,000/up to two years

**Deadline:** LOI due: Jan. 15, 2024 (LOI not required but highly encouraged); Application due: Feb. 15, 2024, 5 p.m. PT

**Multidisciplinary** || **Multiple NIH Organizations**
**Addressing Health and Health Care Disparities among Sexual and Gender Minority Populations (R01 - Clinical Trials Optional)**

**What:** Supports innovative observational and intervention-based research to identify and characterize the pathways and mechanisms through which health and health care
disparities occur among sexual and gender minority populations of minoritized racial/ethnic and socio-economic statuses

Who should apply: Anyone with a research interest in health disparities among sexual and gender minority populations

Award: Up to $2.5 million/up to five years

Deadline: Feb. 5, 2024, 5 p.m. PT

Private Opportunities

Neuroscience || Simons Foundation Simons Collaboration on Plasticity and the Aging Brain Transition to Independence Program

What: Engages talented early-career scientists from diverse and/or historically underrepresented backgrounds to pursue research in cognitive aging and facilitates their transition into independent faculty positions at research institutions within or outside the US

Who should apply: Open to individuals who self-identify as members of diverse groups within these categories: race, ethnicity, disadvantaged social and/or economic background, gender identity, sexual orientation and disability status; more eligibility info in program announcement

Award: Up to $790,000/up to five years

Deadline: LOI due: Jan. 12, 2024; Full proposal due: Feb. 23, 2024

Multidisciplinary || Burroughs Wellcome Fund Postdoctoral Diversity Enrichment Program

What: Supports career development activities for underrepresented minority postdoctoral fellows whose training and professional development are guided by mentors committed to helping them advance to careers in biomedical or medical research

Who should apply: Postdoctoral fellows who have no more than 48 months of postdoctoral research experience (in a research lab) at the time of application and are not more than five years from their PhD

Award: Up to $60,000/up to three years

Deadline: LOI due: Feb. 18, 2024, noon PT

This organization is on the President’s List; submit a notice of intent form before applying

Multidisciplinary || Southwest National Primate Research Center Pilot Research

Public Health || Robert Wood Johnson Foundation Policies for Action: Policy

Research to Advance the Inclusion of Immigrant Families and Children

What: Funds research on policies that can advance the full social, economic, and civic inclusion of immigrant children and families, including publicly-funded healthcare services

Who should apply: Preference will be given to applicants that are either public entities or nonprofit organizations that are tax-exempt under Section 501(c)(3) of the Internal Revenue Code

Award: Up to $450,000/up to three years

Deadline: LOI due: Feb. 16, 2024, noon PT; Application due: July 23, 2024, noon PT

This organization is on the President’s List; submit a notice of intent form before applying

Internal Rolling Opportunities

Multidisciplinary || OCTRI Mobile Apps for Clinical Studies (MACS) Deadline: Rolling; application will close when funding for the fiscal year is exhausted

Apply through REDCap

Multidisciplinary || OCTRI Pilot Awards Regulatory Consultation and Assistance Program Deadline: Awarded on a rolling basis Apply through REDCap

Send questions to Claudia Nakama

Multidisciplinary || OHSU Fellowship for Diversity in Research Deadline: Applications accepted anytime
Apply through the CAP

Multidisciplinary || OHSU School of Medicine

Exploratory Research Seed Grants Deadline:
Applications accepted anytime
